The Campus has some state-of-the-art classrooms with the latest audio-visual technology, computer labs and a library. Academic programmes offered on campus are largely dominated by the Faculty of Education. A bulk of the courses offered are therefore from the Faculty of Education, with a special focus on pre- and lower primary education.

Meals on Campus
Students who reside on campus receive breakfast. It is up to the student to decide whether to purchase lunch or dinner from the campus kiosks, or to take a short trip to town for a meal of choice. The Campus happens to be less than 100 meters from a big shopping complex, Woermann Hyper. The mall has a variety of retail and fashion shops, along with an upbeat night-time dancing club, a great place to relax and meet people.

Student Body and Recreation
All UNAM campuses offer students representation through the Student Representative Council (SRC). The SRC, through their cultural representative, coordinate activities of all student societies and clubs. Prominent among them are: Accounting Society, Debate Society, Spanish Society, Entrepreneurship Society and various others. New societies are formed every year, and all benefit equally in terms of funding.
