PAYMENT OF STUDENT FEES BY DEBIT ORDER

Debit order arrangement to settle outstanding student fees

Payment of student fees by way of the University's debit order system offers several advantages. It ensures that accounts are settled in good time. It involves fewer bank charges for the accountee (the person responsible for the settlement of the student's accounts), and it prevents payment of interest on outstanding amounts.

Procedure:

If you would like to make use of the University of Namibia debit order arrangement to settle outstanding student fees:

- 1.** Please complete the debit order form (overleaf) and return it to the Finance Department without delay.
- 2.** The Finance Department will then arrange with your bank for the payment to be made on your behalf on or before the due dates set on the form.
- 3.** Please personally check with your bank whether a debit order is in fact acceptable in respect to the bank account held, which you provided on the debit order form submitted to us.
- 4.** The agreement will be valid for the period indicated on the signed debit order form or as notified in writing by the accountee.
- 5.** Bank Identification Code:
 - First National Bank Namibia: **FIRNNANX**
