IMPORTANT INFORMATION FOR STUDENTS

1. HOW TO USE THE UNAM TIMETABLE

1.1 Finding your modules, venues and times on the timetable

Now that you have finished the registration process, you should have a **“Proof of Registration” document** listing all the modules (subjects) that you have been registered for. Using the **module codes** appearing on this document, you can now determine your timetable for 2020.

On the following pages you will find a list of all modules available as part of the curricula offered in your Faculty. These modules are arranged alpha-numerically according to module code per year level under the relevant programme or subject. You need to find each of the module codes shown on your Proof of Registration document on this timetable under the programme/subjects that you have been registered for and then generate your own individual timetable by recording the information regarding the timeslot(s) and venue for each module in the blank timetable provided on the last pages of this timetable document.

In the column with the heading **“Sem.”** you will find the number 1, 2, 1&2 or “1|2”. “1” means that the relevant module is offered in the first semester; “2” means that the relevant module is offered in the second semester; “1&2” means that the relevant module is offered as a year course over both semesters, and you have to attend this course in the first and second semester; “1|2” means that the relevant course is offered in both semesters, and you will be advised as to which semester to attend. (In the last case, the relevant semester will be indicated as the Block code (1 or 2) on your Proof of Registration document.)

It is of the utmost importance that you attend each module in the specific semester that you have been registered for it by your Faculty Officer (according to the Block code on your Proof of Registration document). Failure to do so will result in NO EXAMINATION ADMISSION as your name will not appear on the relevant class list.

You are possibly registered for a mixture of full and half modules. Full modules run for four class periods per week and half modules for two class periods per week. Therefore, **please ensure that you record (and attend!) all periods listed for each of the modules on your verification document.**

The timetable has been designed in such a way as to ensure that there are no clashes between modules registered for as part of the approved curriculum. However, it may not necessarily accommodate modules failed in previous years. **Please note that no timetable changes will be made to accommodate failed modules.**

1.2 Programmes and modules not scheduled on the timetable

While we have tried our best to ensure that all modules have been listed on the timetable, it is possible that an omission or two could have slipped in. If, after considering 1.2.1 and 1.2.2 below, you still fail to locate a particular module, please contact the relevant Head of Department for assistance.

1.2.1 Modules offered by another Faculty

While this timetable contains all the modules offered by the Faculty of Humanities and Social Sciences as well as those modules offered by other Faculties that form part of the formal curricula of your Faculty, you might have registered for additional modules in other Faculties not appearing in this timetable. In order to record the venues and timeslots for such modules offered by another Faculty, you need to obtain the timetable for the particular Faculty and follow the same procedure as described earlier. Please note, however, that the timetable has been designed to ensure that there are no clashes within the approved curricula and it may not necessarily make provision for such modules. **No timetable changes will be made to accommodate such registrations.**

1.2.2 Block teaching and other specialized modules/ programmes

Some programmes and/or individual modules are not scheduled on the timetable, as the times for offering these programmes are normally determined by the responsible Department. In most cases, dedicated venues have been allocated for such programmes/modules. Please contact the relevant Head of Department for information.

2. PRACTICALS

Venue allocation and enrolment for practical sessions (where applicable) is handled by the responsible Department.

Please note that you are **not allowed to register for any module that clashes with a practical for another module** – when you register for a module with a practical component, you must be able to attend all the theory classes as well as the **entire practical period** as stipulated in the timetable. It should also be obvious that you cannot register for two different practicals at the same time – after all, you cannot be in two places at the same time, can you?

3. DURATION OF LECTURES

The duration of a lecture is 55 minutes, with a 5 minute break for change-over to the next lecture (e.g. lecture 07:30-08:25, change-over 08:25-08:30). The times given on the Timetable indicate the beginning of each lecture.

4. TIMETABLE CHANGES

It should be noted that **NO changes are allowed on the timetable without the written approval of the Director: Teaching and Learning Improvement Unit (TLIU)**. Lecturers and students are **NOT ALLOWED** to use alternative timeslots and/or venues as this may lead to clashes and/or double venue bookings.

In the unlikely event that a timetable change is needed, the lecturer should contact the Faculty Timetable Coordinator, Ms A S Mutorwa (amutorwa@unam.na; tel: 206 3126) who will provide an electronic template to be completed. Upon receipt of the completed, well-motivated request, the Faculty Coordinator will consider it and recommend the change to the Director: TLIU through the TLIU Venue Officer, Mr. K. van Wyk (kvanwyk@unam.na; tel: 206 3581). Timetable changes can only be implemented once written approval has been received from the Director: TLIU.

7. UNAM CORE MODULES

In addition to the modules relevant to the specific qualification that you have registered for, all UNAM students are further required to register for a number of UNAM core modules: Computer Literacy, Contemporary Social Issues and either one or two core English modules (depending on the specific qualification). These modules should be done during either the first or the second semester (or both) of your first academic year, as indicated below.

As explained earlier, you MUST attend the module in the semester that you have registered for with your Faculty Officer (according to your Proof of Registration). You will not be able to sit for an examination in a semester for which you are not officially registered.

Once you have compiled your individual timetable taking into account all your lectures and practicals (where applicable), you need to enroll for one of the available timeslots for **each of the UNAM core modules**. Enrollment lists will be available on the bulletin boards outside the entrance to the Old Library (F-Block).

It is important to **complete this process** by entering your name and student number on the enrolment list **before the start of classes**, as classes will start on the first day as indicated in the UNAM calendar.

7.1 Contemporary Social Issues (CSI3580)

This module is offered online by e-learning. Detailed information will be provided during orientation. For any queries contact Mr. G Kooper at gkooper@unam.na. Always provide your student number when you e-mail a lecturer or staff member.

7.2 Computer Literacy (CLC3509)

Depending on the exact student numbers, additional slots may be allocated to accommodate all the students in your Faculty. Please liaise with the Computer Literacy coordinator (Ms. S. Mwatilifange, Room E120) if you fail to find a place in the allocated slot or if you experience a timetable clash with this module.

7.3 English modules (LEA3519; LEG2410)

Depending on the exact student numbers, additional slots may be allocated to accommodate all the students in your Faculty. Please liaise with the coordinator at the Language Center (Mr. J. Mukoroli Room D130) if you fail to find a place in the allocated slot or if you experience a timetable clash with this module

7.3.1 LCE 3419 Communication and Study Skills in English

This module is offered online by e-learning. Detailed information will be provided during orientation. For any queries contact Mr. G Kooper at gkooper@unam.na. Always provide your student number when you e-mail a lecturer or staff member.
