1. Introduction

This report contains information on the 2020 student enrolment census taken on 30\textsuperscript{th} September 2020. The demographic student enrolment information presented in this report compares enrolment by Faculties/Schools, Gender, Offering type and Period of Study. Students who have cancelled their enrolments are not included in the report.

Enrolment data was extracted from the ITS Operation System, processed and presented in tables and charts.

\textbf{Note:} This report only provides statistical data tables and charts. The data is provided in a clear format, easy to understand, self-explanatory, hence no descriptions of further analysis were provided.
2. Enrolment by Faculty and Campus name and Qualification type
