

Study at UNAM

CONDITIONAL ADMISSION

Conditional admission will be considered for first-year students into the new curriculum degree programmes, with UNAM standard admission criteria as per the following:

1. Applicants who have obtained 25 or 26 points with at least two (2) AS / Higher level subjects (minimum e symbol) and minimum NSSCO English C symbol, and meeting all the programme specific subject grades:

- a.** Will be admitted on condition that the student achieves one (1) of the following by the end of the 2023 academic year:
 - i.** Either upgrade his/her school results in order to meet the normal admission criteria within the 2023 academic year, while being enrolled conditionally as a first-year student;
 - ii.** Or pass the first year, i.e. receive an annual result code 'pass first year' at the end of the 2023 academic year.
- b.** If none of these conditions are met, the student will not be registered for the 2024 academic year.

2. Applicants who have obtained at least 27 points with at least two (2) AS / Higher level subjects (minimum e symbol), but have one (1) symbol lower in English (i.e. NSSCO English D symbol) and / or other programme specific grade requirements:

- a.** Will be admitted on condition that the student achieves one (1) of the following by the end of the 2023 academic year:
 - i.** Either upgrade his/her school results in those particular subjects in order to meet the normal admission criteria within the 2023 academic year, while being enrolled conditionally as a first-year student;
 - ii.** Or pass all modules related to the school subject(s) in which the required grades obtained were not met.
- b.** If none of these conditions are met, the student will not be registered for the 2024 academic year.

3. No conditional admission will be considered for professional programmes with higher admission criteria.

4. No conditional admission will be considered for old curriculum programmes or new curriculum diploma programmes.

5. In addition to the above, conditional admission will be considered for first-year students into the new Bachelor of Education in Secondary Education degree programmes as per the following:

Applicants who have obtained 28 or 29 points with at least 2 AS / Higher level subjects (minimum e symbol) and minimum NSSCO English C symbol, and meeting all the programme specific school subject grade requirements:

- a.** Will be admitted on condition that the student achieves one (1) of the following by the end of the 2023 academic year:
 - i.** Either upgrade his/her school results in order to meet the normal admission criteria within the 2023 academic year, while being enrolled conditionally as a first-year student;
 - ii.** Or pass the first year, i.e. receive an annual result code 'pass first year' at the end of the 2023 academic year.
- b.** If none of these conditions are met, the student will not be registered for the 2024 academic year.

Thank you.
