

## Calling on all

### English Access, Science Foundation and Legacy Grade 12 Students

The University of Namibia is currently considering admission and registration for students who successfully completed either English Access Course or Science Foundation Programme, as well as other Legacy Grade 12 candidates.

This specifically pertains to potential students who have completed Legacy Grade 12 (with or without English Access or Science Foundation), but do not have the required two (2) subjects on Higher Level (HIGSCE) as stipulated for the new, transformed curricula.

Please note that admission based on the categories below only applies to programmes with the new UNAM standard criteria – admission will not be considered for professional programmes with higher admission criteria.

#### Legacy Grade 12 Candidates (Conditional Admission)

**Prospective students with a Legacy Grade 12 qualification, may be considered for conditional admission and registration under any one of the following two categories:**

1. Those with only one (1) subject at HIGSCE level and at least 28 points, for admission into degree programmes (excluding professional programmes with higher admission requirements) provided that the subject specific requirements are met according to the guidelines below.

Or

2. Those with no subject at HIGSCE level and at least 25 points, for admission into diploma programmes provided that the subject specific requirements are met according to the guidelines below.

Students in categories (1) and (2) above will be admitted on condition that the students pass the first year (i.e. obtain a "pass first year" annual result code at the end of the 2023 academic year).

If this condition is not met, the student will not be able to continue with his/her studies.

#### English Access Course and Science Foundation Programme Students

**Prospective students who have successfully completed either the UNAM English Access or UNAM Science Foundation programme (average of at least 60%), may be considered for admission and registration under any one of the following two categories:**

1. Those who met all the subject specific requirements (subject to the guidelines below), but only have 25 or 26 points in five subjects at grade 12 level.

Or

2. Those with at least 27 points in five subjects at grade 12 level, but do not meet one or more of the subject specific requirements (subject to the guidelines below).

#### Specific Subject Requirement Guidelines

**Where a particular programme has specific subject requirements, the following guidelines will be used:**

- a. If the subject requirement refers to a symbol to be obtained at NSSCO level, such requirement must be met (either at grade 12 IGSCCE level or through the Access / Foundation programme)
- b. If the subject requirement refers to a symbol to be obtained at NSSCAS level, such requirement must be met by passing the relevant subject as part of the Access or Foundation programme (at the required level) OR by using the equivalent symbol at grade 12 IGSCCE level according to the equivalency table below.
- c. Where students are not meeting the subject requirements as per (a) and (b) above, they will be referred to alternative programmes where they meet the requirements.

## Equivalency Table

Required NSSCAS symbol	Equivalent IGCSE symbol
a	A*
b	A*
c	A
d	B
e	C

### Important Information (all categories of students)

Students meeting the above-mentioned criteria in any of the categories, are invited to bring along the following original documents as well as fully certified copies from **07 – 10 February 2023**:

- Identity document / passport
- Certificates (e.g. School Leaving Certificates (Grade 12) prior to 2021 and the Statement of Results were applicable)
- English Access Certificate and or Science Foundation Academic Record/Results.

The documents should be submitted as indicated below:

Campus	Venue
UNAM Windhoek based campuses	<ul style="list-style-type: none"> <li>• Student Records, Main Camus</li> <li>• Khomasdal – Computer Laboratory (Block H)</li> </ul>
UNAM Campuses outside Windhoek	<ul style="list-style-type: none"> <li>• Registration venues at respective campuses</li> </ul>

Thank you.
