

## Funded Opportunity for UNAM Students ACU Summer School 2022

Association of Commonwealth University (ACU) invites applicants to Leeds, UK from 31 July-8 August for an exciting week of lectures and case studies exploring themes relating to sports and regeneration. Hosted by ACU member Leeds Trinity University, UK, ACU Summer School 2022 is a small and friendly event which is capped at 40 participants.

### Students can expect:

- Skills development
- Social events
- Engaging and challenging group project work
- Sports sessions
- Networking opportunities
- Intercultural sessions

### Who should apply?

The summer school is open to both current UNAM postgraduate (Master's and PhD) and final-year undergraduate students.

Applicants must not have previously travelled outside Southern Africa. The event is most appropriate for those who are not already studying a sports-related degree, but who have an interest in driving sustainability, community and wellbeing through sports.

### What does the funding cover?

The ACU will fund full participation in the programme, including:

- Return economy flights and airport pick-ups from Manchester airport.
- Field trips
- The final day trip to York
- Meals on campus
- On-campus accommodation in en-suite single rooms.
- Visa costs will not be funded.

**Application Closing date: 01 March at 16:00 UTC**

**Please read carefully additional information on application requirements, and how to apply, please visit:**
