

# EXTERNAL VACANCY

**ENG. JOSE EDUARDO DOS STANTOS CAMPUS**  
**FACULTY OF AGRICULTURE, ENGINEERING & NATURAL SCIENCES**  
**SCHOOL OF ENGINEERING AND THE BUILT ENVIRONMENT**  
**DEPARTMENT OF MECHANICAL AND METALLURGICAL ENGINEERING**

Senior Lecturer

**Requirements:** The successful candidate should be in possession of a Ph.D. in Mechanical Engineering, industrial work experience and registration with a professional body would be an added advantage. The candidate should have at least three (3) years of University teaching, research, and community engagement or relevant industry experience in the field. Good publication records in high-impact factor journals should be able to teach the following modules: mechanical engineering designs, engineering materials, and manufacturing technology. Keen on student supervision (research) at both under and postgraduate levels.

**Job Description:** Develop and teach courses in the area of Design and Manufacturing, establish and/or maintain a quality publication record; develop and maintain a strong, visible externally funded program that will contribute to scholarly publication. Supervise and mentor undergraduate and graduate students; contribute to the community both institutionally and professionally through active services.

The advertisement reflects the minimum eligibility criteria and the Search Committee may set additional eligibility criteria for shortlisting and selection purposes.
