# SCHOOL MISSION

The mission of the School is linked to both the mission of the University of Namibia and the Faculty of Commerce, Management and Law is to contribute to the needs of the accounting profession and Namibian society through the pursuit of translational research, quality accounting education and innovation.

# The School consists of two departments

- 1: Financial and Managerial Accounting,
- 2: Auditing and Taxation.

# The objectives of the School are to:

- To increase resources for the School
- To increase enrolments and retention of quality students
- To enhance the student experience at the School
- To implement/improve community outreach
- To improve stakeholder engagement
- To develop research capabilities and opportunities
- To improve recruitment, retention and development of staff
- To obtain professional body accreditation and recognition of programmes

The School is offering Diplomas and Bachelors degree programmes at undergraduate level and some programmes at post-graduate level.

Some Postgraduate programmes are offered solely by the School.

# The mission of the School rests on the following domain, values and principles:

# 1. Professionalism

A commitment to and dedication in relations with other people, and competence in the workplace. The key associated behaviours include excellence, responsiveness, effectiveness, ethics, kindness and politeness.

# 2. Integrity

Refers to honesty and loyalty in our conduct with others. Integrity is associated with key behaviours such as openness, trustworthiness, reliability and dependability.

# 3. Equity

Refers to fair and impartial treatment of colleagues, customers and stakeholders, regardless of differences. Fairness, patience, tolerance and embracing diversity are the key associated behaviours for equity.

# 4. Accountability

Due diligence in completing assigned tasks, while also taking responsibility for actions. The School identifies accountability with due diligence, transparency, responsibility and commitment as the key associated behaviours.

# LATEST DEVELOPMENT WITHIN THE ACCOUNTING DISCIPLINE AT UNAM

The Department of Accounting, Auditing and Income tax was transformed into a School of Accounting effective 1 January 2018.

The goal of the School of Accounting is to foster life-long learning among the students. We provide our graduates with sound technical skills coupled with the ability to apply these skills in settings, which require a broader understanding of the issues. We expect students to work hard, read widely, and to engage in substantial self-learning and interpretative, analytical, and communication development is high on our list of priorities.

Our aim is that our programs should be designed to enable graduates to progress to accounting professions.

The School of Accounting will also establish an Advisory Board as a key pillar of the School governance. The key role of the Advisory Board is to provide external input and interaction for the development of programmes and curriculum, advice on links to employment and employability, and a sounding board for research and over time be helpful in defining impactful research.

# B. <u>QUALIFICATIONS OFFERED BY THE SCHOOL</u>

The School may award the following diploma and degrees:

# B.1 Undergraduate Programmes

QUALIFICATION	QUALIICATION-CODING	MINIMUM DURATION
Diploma in Accounting	(61DIAC)	3YEARS FM
Bachelor of Commerce in Chartered Accountancy	(61BCCA)	3 YEARS FM
Bachelor of Commerce in Accounting	(61BCOMM)	3 YEARS FM

# B.2 Postgraduate Programmes

Qualification Code	Qualification Name	Stu	dy Period
61PDIA	Postgraduate Diploma in Internal Auditing	1 YEAR	FM/PM
61PDFA	Postgraduate Diploma in Financial Accounting	1 YEAR	FM/PM
61PDMA	Post Graduate Diploma in Management Accounting	1 YEAR	FM/PM
12MSAF	Master of Science in Accounting and Finance	2 YEARS	FM

# C.1 Diploma in Accounting

# (61DIAC)

# C.1.1 OBJECTIVE OF THE PROGRAM

This qualification provides students with intermediate broad base knowledge in the underlying core pillars of accounting, namely, financial accounting and reporting, management accounting, finance, economics, fundamental business management, taxation, auditing, law, and information technology and systems relevant to the 4th and 5th Industrial Revolution. It provides a wide spectrum of knowledge and skills necessary for a career in accountancy and finance at the semi-professional level as well as for graduates of this Diploma to further their education and training to be qualified professional accountants.

# C.1.2 CRITERIA FOR ADMISSION

To register for the Diploma in Accounting, a student must hold a valid NSSCAS or combination of AS and Ordinary Level or any equivalent qualification. Entrance to this undergraduate diploma programmes shall be: A total of 24 points on the UNAM scale obtained in five different subjects as follows:

- (a) 2 subjects on NSSCAS level with an average of e or higher
- (b) 3 subjects on NSSCO level with a D or higher

(c) English and Mathematics must be at minimum D at NSSCO level

OR

A total of 23 points on the UNAM scale obtained in five different subjects as follows:

(a) 3 subjects on NSSCAS level with an average of e or higher

(b) 2 subjects on NSSCO level with a D or higher

(c) English and Mathematics must be at minimum D at NSSCO level

# In addition to the above, alternative entry pathways such as the following will still be available

# (a) Mature Age Entry Scheme:

Applicants aspiring for admission to UNAM's undergraduate diploma programmes through the Mature Age Entry Scheme must satisfy the following conditions:

(1) They should be at least 25 years old on the first day of the academic year in which admission is sought.

(2) Applicants should have successfully completed at least junior secondary education for admission into undergraduate certificate/diploma programmes, and senior secondary education for admission into undergraduate degree programmes.

(3) They should normally have proof of at least five year's relevant work experience relating to the proposed study programme.

2 The Mature Age Entry Examination will consist of three / four papers:

- (a) Paper 1: An English Proficiency Paper;
- (b) Paper 2: A General Knowledge Paper;
- (c) Paper 3: A Numerical Ability Paper;
- (d) Paper 4: An Accounting test Paper.

3 Subject to Programme Specific Regulations Mature Age Entry applicants seeking admission into an undergraduate diploma programme shall score an average of at least 50% with no paper less than 40%.

4 Applicants who meet the qualifying requirements (as per 1) and passed the MAE examination (as per 3), may be called for an additional interview before the final selection is made.

# (b) Marginalized Persons Scheme:

Applicants aspiring for admission to UNAM's undergraduate diploma programmes through the Marginalized Persons Scheme must satisfy the following conditions:

A combination of ordinary (NSSCO) and AS level (NSSCAS) with a minimum of 20 points on the UNAM Evaluation Scale, with English at a minimum E at NSSCO level.

(2) A pass in five different subjects:

(a) on ordinary level (NSSCO) with a minimum of 20 points on the UNAM Evaluation Scale, with English at a minimum E at NSSCO level.

(b) with a combination of ordinary (NSSCO) and higher (NSSCH) level with a minimum of 20 points on the UNAM Evaluation Scale, with English at a minimum E at NSSCO level.

# ADMISSION CRITERIA BASED ON SCHOOL LEAVING CERTIFICATES PRIOR TO 2021

To register for the Diploma in Accounting, a student must hold a valid NSSCO or combination of NSSCH and NSSCO or any equivalent qualification. Entrance to this undergraduate diploma programmes shall be: A pass in five different subjects: (a) on ordinary level (NSSCO) with a minimum of 22 points on the UNAM Evaluation Scale, with English at a minimum D at NSSCO level.

(b) with a combination of ordinary (NSSCO) and higher (NSSCH) level with a minimum of 22 points on the UNAM Evaluation Scale, with English at a minimum D at NSSCO level.

Meeting the minimum requirements as per above does not necessarily ensure and/or guarantee admission. Admission will be based on the availability of space.

# Additional Selection Criteria

The selection of candidates will be done based on the highest points on the UNAM evaluation scale guided by matters of equity as outlined by the National policies.

Preference will be given to candidates with accountancy on NSSCO level.

# C.1.3 ARTICULATION ROUTE

Successful completion of the Diploma in Accounting (with a minimum of 65% average) allows entry into the 2nd year of Bachelor of Commerce in Accounting (NQF 7).

Students willing to study for other qualifications offered by various Schools of FCML will have to follow the admission requirements of the respective Schools and may be exempted on case-by-case basis by those departments.

# C.1.4 ASSESSMENT CRITERIA

The CA will comprise a combination of the following: written tests, assignments, simulations, portfolios, and seminar presentations as specified under the respective Module Descriptors.

For modules assessed through 100% CA, a final mark of 50% is required to pass. For modules assessed through a combination of CA and Examination can:

A minimum CA Mark of 40% is required to gain entrance into the relevant module examination, unless otherwise stated in the individual module descriptor.

To pass a module, a minimum final mark of 50% is required, unless otherwise stated in the individual module descriptor.

The final mark for each module will be calculated using a ratio of CA mark: Exam mark of 50:50 unless otherwise stated in the individual module descriptor.

Notwithstanding the above, a subminimum of at least 40% will apply to the Exam Mark, unless otherwise stated in the individual module descriptor.

# New first and second opportunity examinations system:

Following the 2022 Senate approval, the new examination system of first and second opportunity examinations is now applicable. The new examination system will apply to all UNAM students, both old and new curriculum. Each student will have an equal opportunity to sit for examinations, provided that they meet specific Faculty/School admission into the examinations. As a result, there will be no more Supplementary, Special, Winter and Summer Term examinations. All students who fail the First Opportunity Examinations will be allowed to write the 2nd Opportunity Examinations (i.e. no need to obtain at least 45%).

In the event when a student did not write the First Opportunity Examination, and opted to only write the Second Opportunity Examination, the mark obtained will be the actual mark. However, if a student opts to write the Second Opportunity Examination after failing the First Opportunity examination, the maximum final pass mark that can be awarded is 50% (as in the past with Supplementary Examinations).

# C.1.5 MINIMUM REQUIREMENTS FOR RE-ADMISSION INTO THE SCHOOL

# Normal enrolment

To be re-admitted to the School of Science for a particular year of registration, a student must have passed the minimum number of courses required as indicated below:

66 credits (of which 24 must be non-core) by the end of the first year of registration;

• 161 credits (of which 92 must be non-core) by the end of the second year of registration including all first year Accounting modules;

- 274 credits by the end of the third year of registration
- 324 credits by the end of the fourth year of registration
- 330 credits by the end of the fifth year of registration
- The programme must be completed after a maximum of 5 years of registration

# **Extended enrolment**

• 66 credits (of which 24 must be non-core) by the end of the first year of registration;

• 141 credits (of which 72 must be non-core) by the end of the second year of registration including all first year Accounting modules;

- 200 credits by the end of the third year of registration
- 254 credits by the end of the fourth year of registration
- 304 credits by the end of the fourth year of registration
- 330 credits by the end of the sixth year of registration
- The programme must be completed after a maximum of 6 years of registration

# C.1.6 MAXIMUM NUMBER OF COURSES PER YEAR

A student may register for a maximum of ten modules (equivalent to 160 credits) during a particular academic year. Modules that are repeated and those followed for non-degree purpose are included in the allowable maximum of twelve modules.

# C.1.7 REQUIREMENTS FOR QUALIFICATION AWARD

This qualification will be awarded to people credited with a minimum of 330 credits, and who have met the requirements of the compulsory and elective sections.

# C.1.8 IMPLEMENTATION STRATEGY

The programme will be implemented in a phased approach as per the table below:

	2024	2025	2026	2027
New Programme phasing-in	1	1&2	1&2&3	Fully phased-in
Old Programme phasing-out	2,3	3	Partially-phased out	Completely phased – out no option of re-admission and progression as per regulations
(Module repeaters of the old programme) Phasing out of failed modules under old programme as per transition plan subject to no re- admission and progression as per regulations 7.13.1 (5), (7) & (8)	1,2,3	2,3	3	Completely phased – out no option of re-admission and progression as per regulations

# C.1.9 ADVANCEMENT AND PROGRESSION RULES

A student advances to the subsequent academic year of study when the following conditions have been met:

# Normal Enrollment:

A student advances to the subsequent academic year of study when the following conditions have been met:

- Year 1 to Year 2: At least 88 credits including the entire core.
- Year 2 to Year 3: All first-year credits in addition to at least 54 third year credits

# Extended enrolment:

A student advances to the subsequent academic year of study when the following conditions have been met in terms of the Extended Programme year structure:

- Year 1 to Year 2: At least 60 credits
- Year 2 to Year 3: All first-year credits in addition to at least 64 second year credits
- Year 3 to Year 4: All second-year credits and at least 54 third year credits

A student who fulfilled the re-admission regulations, but could not advance to the next academic year must first register for all failed modules. Subject to pre-requisites, such a student may then add modules of the subsequent academic year, provided that the total number of registered credits does not exceed the prescribed number of credits of the current academic year by more than 20%.

# C.1.10 CLASS ATTENDNCE

The Students must attend at least 80% of lectures. All DISTANCE MODE students to familiarize themselves with the yearbook for Centre for Open, Distance and e-learning (CODeL).

# C.1.11 MODE OF DELIVERY

This is a full-time program offered at the following Campuses: Windhoek, Rundu and Southern Campuses. The same will be offered on distance mode through Distance learning effective 2024.

# C.1.12 DURATION OF STUDY

This is a 3 year full time program offered through full time mode. The course is broken into six semesters of fourteen (14) weeks each and follows the university semesters. The maximum duration of the programme is 6 years.

# C.1.13 CURRICULUM

Ethics for Accountants		C2510AE
NQF Level: 5	Credits: 4	Contact hours: 2 hours lecture per week
Module assessment:		nent: Continuous assessment will make up 100% of the module grade consisting of a ests, Assignments/Quizzes and Practical reports/Student portfolios

Pre-requisite:

# Module Description:

None

None

The module is designed to equip the students with the knowledge and practice of professional ethics.

MATHEMATICS SUPPORT (only applicable to students enrolled for the extended enrolment) C2410MS					
NQF Level: 4	Credits: NCB Contact hours: 2h lectures and 1 tutorial per week for 1 semester				
Module assessment:	Formative Assessment: Continuous assessment will make up 100% of the module gracombination of Tests, Assignments/Quizzes and Practical reports/Student portfolios.	0			
Pre-requisites:	None				

# Module Description:

To consolidate computation skills acquired in school whilst creating a wider context in which students can contextualize basic mathematical knowledge relating to business.

INTRODUCTION TO FINA	ANCIAL ACCOUNTING	C2413FB
NQF Level: 4	Credits: 12	Contact hours: 2 hours lecture & 1 tutorial per week for 1 semester
Module assessment:		nt: Continuous assessment will make up 50% of the module grade consisting of a s, Assignments/Quizzes and Practical reports/Student portfolios

Summative Assessment: Examination: 1 x 3h examination at the end of the semester that counts 50% towards the final mark

- Final Mark: 50% CA mark and 50% Examination mark
- A subminimum of 40% in the examination is required to pass, irrespective of the final mark
- •To pass this Module the student must obtain a minimum final mark of 50%

# Pre-requisites:

# Module Description:

To equip students with the fundamental concepts, practices, methods, and principles of financial accounting and to provide an informed understanding of the collection, processing and recording of relevant financial accounting data of an entity into usable information and prepare basic financial statements.

PUBLIC SECTOR ACCOUNTING		C2431PS	
NQF Level: 4	Credits: 12	Contact hours: 4 hours lecture per week for 1 semester	
Module assessment:		nent: Continuous assessment will make up 50% of the module grade consisting of a ests, Assignments/Quizzes and Practical reports/Student portfolios	
Summative Assessment: Examination: 1 x 3h examination at the end of the semester that counts 50% towards the final mark			

- Final Mark: 50% CA mark and 50% Examination mark
- A subminimum of 40% in the examination is required to pass, irrespective of the final mark
- To pass this Module the student must obtain a minimum final mark of 50%
   None

# Module Description:

The objective of the module is to develop a thorough understanding of basic terms, concepts, and methods applied in Public Sector and Government Accounting.

ARITHMETICAL LITERACY		C2433FA
NQF Level:4	Credits: 6	Contact hours: 2h lectures and 1 tutorial per week for 2 semesters
Module assessment:	Formative Asses	ssment: Continuous assessment will make up 50% of the module grade consisting of a
	combination of	Tests, Assignments/Quizzes and Practical reports/Student portfolios

Summative Assessment: Examination: 1 x 3h examination at the end of the semester that counts 50% towards the final mark

- Final Mark: 50% CA mark and 50% Examination mark
- A subminimum of 40% in the examination is required to pass, irrespective of the final mark
- To pass this Module the student must obtain a minimum final mark of 50% Pre-requisites:

None

# Module Description:

This module is designed to give students an understanding of various mathematical tools to solve basic business related problems.

# BASIC MICRO ECONOMICS

NQF Level: 4	Credits: 12 Contact hours: 4 hours lecture per week for 1 semester
Module assessment:	Continuous assessment (50%): Tests, Assignments/Quizzes and Practical reports/Student portfolios.
	Examination (50%): 1 x 3 hour paper
Pre-requisites:	None

Pre-requisites: Module Description:

To introduce basic concepts and tools used in microeconomics analysis. Economics plays a huge role in all components that are linked to economic activities, such as business and accountancy. This module will thus, give guidance to students on how individual economic activities are coordinated in an economy.

C2411FE

# C.2 BACHELOR OF COMMERCE IN CHARTERED ACCOUNTANCY

# 61BCCA REVISED

# C.2.1 INTRODUCTION

The Bachelor of Commerce in Chartered Accountancy aims to equip students with comprehensive knowledge and operational skills base in the following underlying core pillars of accounting: financial and management accounting; business science, professional ethics, accounting information systems; auditing; taxation and financial management relevant to the 4<sup>th</sup> and 5<sup>th</sup> Industrial Revolution.

# C.2.2 PURPOSE OF THE QUALIFICATION

This programme is the first step in the training of chartered accountants. To eventually qualify as a Chartered Accountant (CA) or Certified Chartered Accountant (ACCA), you first have to obtain both the BCom Chartered Accountancy and an applicable BAcc (Honours) degree or Postgraduate Diploma in Accounting. Thereafter you will have to pass the board exams of the Institute of Chartered Accountant (ICAN) of Namibia or Association of Certified Chartered Accountants (ACCA). A chartered accountant is equipped to audit the financial statements of companies.

This programme enables graduates to make meaningful contribution to the development of society and economy in terms of responsiveness to society and industry needs in line with strategic objectives of the University of Namibia, and achievement of government national development goals such as Vision 2030, and the national development plans, as well as international imperatives such as Sustainable Development Goals (SDGs).

In addition, this programme is designed to contribute to national priorities as articulated in the Sustainable Development Goals; No. 1 - No poverty; No. 4 - Quality Education; No.8 - Decent work and economic growth; No. 9 - Industry, Innovation and Infrastructure; No. 11 - Sustainable cities and communities.

Therefore, this qualification aims at addressing Namibia's need for competent professional accountants in both the public and private sectors as well as producing versatile graduates competitive in the global business world.

# C.2.3 ADMISSION REQUIREMENTS

1. Admission based on Namibian School Leaving Certificates 2021 onwards.

To be admitted into this programme, a candidate must be in possession of a valid School Leaving Certificate with a total of at least 35 points on the UNAM scale as follows:

A pass in five (5) different subject combinations, as follows:

- Two (2) subjects on NSSCAS level with an average of d or higher grade/s
- Three (3) subjects on NSSCO level with an average of C or higher grade/s
- English must be at minimum C grade on NSSCO level
- Mathematics must be at minimum C grade on NSSCO level

OR

A pass in five different subject combinations, as follows:

C2652FR

- Three (3) subjects on NSSCAS level with an average of d or higher grade/s
- Two (2) subjects on NSSCO level with an average of D or higher grade/s
- English must be at minimum C grade on NSSCO level
- Mathematics must be at minimum C grade on NSSCO level.

Obtaining the minimum number of points, however, does not necessarily ensure admission. Admission is based on places available in courses and programmes and is awarded based on merit.

2. Admission based on Namibian School Leaving Certificates prior to 2021

Candidates in possession of a valid Namibian Senior Secondary Certificate (NSSC) issued prior to 2021 (only) and has obtained at least 35 points on the UNAM scale and a pass in 5 different subjects, as outlined below, can be admitted into this programme: EITHER a pass in five (5) different subjects with

- o two (2) subjects on NSSCH with 4 or higher,
- three (3) subjects on NSSCO with C or higher, and additionally,
- English must be at minimum a C on NSSCO.

OR a pass in five (5) different subjects with

- three (3) subjects on NSSCH with 4 or higher,
- two (2) subjects on NSSCO with C or higher, and additionally,
- English must be at minimum a D on NSSCO.

# C.2.4 EXAMINATION REGULATIONS

For detailed examination, promotion and re-examination rules, consult the General Information and Regulations Prospectus. A candidate will be admitted to the examination in a module if he/she has obtained the required continuous assessment mark of 40%. Examinations are administered at the end of each semester for semester modules and at the end of year for double modules.

A candidate passes a module if a final mark of 50% is obtained. The final mark consists of continuous assessment and examination mark in the ratio of 50:50 respectively unless otherwise indicated in the respective module descriptor. A sub minimum of 40% must be obtained in each component.

# C.2.5 ACADEMIC ADVANCEMENT RULES

(a) Admission into next year of study

Normal enrolment:

A student advances to the subsequent academic year of study when the following conditions have been met:

- Year 1 to Year 2: At least 68 credits including the entire core.
- Year 2 to Year 3: All first-year credits in addition to at least 90 second year credits

A student who fulfilled the re-admission requirements but could not advance to the next academic year must first register for all failed modules. Subject to pre-requisites, such a student may then add modules of the subsequent academic year, provided that the total number of registered credits does not exceed the prescribed number of credits of the current academic year by more than 20%.

# (b) Minimum requirements for re-admission into the School/Program

Normal enrolment

To be re-admitted to the School of Accounting for a particular year of registration, a student must have passed the minimum number of courses required as indicated below:

- 50 credits (of which 24 must be non-core) by the end of the first year of registration, however for readmission into the programme this must include Financial Accounting 1 (code: C3551FY);
- 140 credits (of which 92 must be non-core) by the end of the second year of registration including all first year Accounting modules and the second year Financial Accounting module;
- 265 credits by the end of the third year of registration
- 320 credits by the end of the fourth year of registration
- 417 credits by the end of the fifth year of registration
- The programme must be completed after a maximum of 5 years of registration

# C.2.6 REQUIREMENTS FOR QUALIFICATION AWARD

This qualification will be awarded to candidates who have passed all the modules with a total number of credits of 417.

# C.2.7 LECTURES AND TUTORIALS

The attendance of lectures and tutorials is compulsory and no exemption will be given to a student because of employment. Students must attend a minimum of 80% of lectures and tutorials to be eligible for entry into examination.

# C.2.8 ARTICULATION

A student that has successfully completed the first academic year with an average of 70% on the Bachelor of Commerce in Accounting programme, with a minimum of 70% in Financial Accounting 1A and 1B, may articulate into the second year of the Bachelor of Commerce in Chartered Accounting programme. This articulation is subject to availability of space.

This qualification may serve as entry point to relevant honour's degree and related postgraduate diplomas.

# C.2.9 EXEMPTION RULES

Students who have already passed an equivalent module will be considered for exemption on a case by case basis **provided the module passed is not older than 5 years**.

# C.2.10 DURATION OF STUDY

The duration of the programme extends over three years of full-time study. The maximum duration is 5 years. The School has the right to amend the curriculum for academic and professional reasons any time during the period of study.

# C.2.11 Mode of Delivery

Full time blended study at Windhoek Main campus.

# C.2.12 PRE-REQUISITES

A student can only continue with a module on second or third year provided the relevant prerequisites are met. The prerequisites for various modules are listed below:

Code	Module Name	Prerequisite / Co requisite			
	Year 1	Code	Module Name		
C3542FS	Quantitative Analysis for Business	C3541FH	Mathematics for Finance

# C.3.1 INTRODUCTION AND OBJECTIVES OF THE PROGRAMME

This qualification equips students with comprehensive knowledge and operational skills base in the following underlying core pillars of accounting: financial and management accounting; accounting information systems; auditing; taxation and financial management relevant to the 4<sup>th</sup> and 5<sup>th</sup> Industrial Revolution.

This programme enables graduates to make meaningful contribution to the development of society and economy in terms of responsiveness to society and industry needs in line with strategic objectives of the University of Namibia, and achievement of government national development goals such as Vision 2030, and the national development plans, as well as international imperatives such as Sustainable Development Goals (SDGs).

Therefore, this qualification aims at addressing Namibia's need for competent accountants in both the public and private sectors as well as producing versatile graduates competitive in the global business world.

# C.3.2 CRITERIA FOR ADMISSION

# 1. Admission based on Namibian School Leaving Certificates 2021

To be admitted into this programme, a candidate must be in possession of a valid Namibian Senior Secondary Certificate (NSSC) with a total of 27 points on the UNAM scale obtained in five different subjects as follows:

- A pass in five (5) different subject combinations, as follows:
- Two (2) subjects on NSSCAS level with an average of d or higher grade/s
- Three (3) subjects on NSSCO level with an average of C or higher grade/s
- English must be at minimum C grade on NSSCO level or e on NSSCAS
- Mathematics must be at minimum C grade on NSSCO or e on NSSCAS

# OR

# A pass in five different subject combinations, as follows:

- Three (3) subjects on NSSCAS level with an average of d or higher grade/s
  - Two (2) subjects on NSSCO level with an average of C or higher grade/s
  - English must be at minimum C grade on NSSCO level or e on NSSCAS
    - Mathematics must be at minimum C grade on NSSCO level or e on NSSCAS

Obtaining the minimum number of points, however, does not necessarily ensure admission. Admission is based on places available in courses and programmes and is awarded based on merit.

• Candidates that lack the appropriate subjects (or grades) on NSSCAS, as outlined above, for admission to the programme (or their chosen electives), can opt to rather enroll for an Extended Programme that will take longer to complete.

# 2. Admission based on Namibian School Leaving Certificates prior to 2021

• Candidates in possession of a valid Namibian Senior Secondary Certificate (NSSC) issued prior to 2021 (only) and has a pass in 5 different subjects, as outlined below, can enroll in the Extended mode of this programme: EITHER a pass in five (5) different subjects with

- o two (2) subjects on NSSCH with 4 or higher,
- o three (3) subjects on NSSCO with C or higher, and additionally,
- o English must be at minimum a C on NSSCO.
- OR a pass in five (5) different subjects with
  - o three (3) subjects on NSSCH with 4 or higher,
  - o two (2) subjects on NSSCO with C or higher, and additionally,
  - o English must be at minimum a C on NSSCO.

In addition to the above, Mature Age Entry (MAE) and Prior Learning Recognition (RPL) may serve as alternative entry pathways subject to meeting requirements.

# •To qualify for Mature Age Entry applicants should:

- o be at least 25 years old on the 1st day of the academic year in which admission is sough
- o At least have five years of relevant work experience relating to proposed study programme
- o be in possession of a senior secondary education certificate
- o pass all four (4) MAE papers covering topics of English Proficiency, General knowledge, Numerical Ability paper and Accountancy ability with an overall average of 60% with no paper below 50%

Applicants who meet the qualifying requirements and passed the MAE examinations, may be called for an additional interview before the final selection is made.

# • Recognition of Prior Learning:

Another way of entering the programme is RPL according to the UNAM RPL policy.

Depending on the content of the qualifying candidate's RPL portfolio placement in the programme can be accomplished at the discretion of the Head of Department, into either the Normal mode or the Extended mode of this programme.

# Additional Selection Criteria

In cases of the demand exceeding capacity, preference shall be given to the students with the higher number of points as calculated from the UNAM point scale guided by to matters of equity as outlined by the National Policies. Preference will be given to candidates with accountancy on NSSCO level.

#### C.3.3 ARTICULATION OPTIONS

Students of the Bachelor of Commerce in Accounting may articulate into the second year of a Chartered Accountancy programme if they obtain an average of 70% in the first year including a minimum of 70% in financial accounting modules in the first-year subject to availability of places.

This qualification may serve as entry point to relevant honour's degree and related postgraduate degrees and diplomas.

#### C.3.4 ASSESSMENT CRITERIA

Unless stated otherwise in the respective module descriptor, the following shall apply:

For modules with Continuous Assessment (CA) and Examination

o A combination of continuous assessment (50%) and an examination (50%) will be used to assess each of the modules and details on what constitutes assessments are specified under respective modules

o The minimum CA mark that will allow entrance into the examination is 40% and the minimum final mark of 50% is required for a pass

o Notwithstanding the result of the mark above, a subminimum of at least 40% in the exam is required

o Generally, assessment criteria are based on written examinations, written tests, assignments, practicums, mini-projects, portfolios, research reports, oral examinations, and seminar presentations

In cases where modules are assessed by continuous assessment only

- o The final mark will be constituted of 100% CA mark
- o A final aggregate mark of 50% shall be required to pass the module.

#### New first and second opportunity examinations system:

Following the 2022 Senate approval, the new examination system of first and second opportunity examinations is now applicable. The new examination system will apply to all UNAM students, both old and new curriculum. Each student will have an equal opportunity to sit for examinations, provided that they meet specific Faculty/School admission into the examinations. As a result, there will be no more Supplementary, Special, Winter and Summer Term examinations. All students who fail the First Opportunity Examinations will be allowed to write the 2nd Opportunity Examinations (i.e. no need to obtain at least 45%).

In the event when a student did not write the First Opportunity Examination, and opted to only write the Second Opportunity Examination, the mark obtained will be the actual mark. However, if a student opts to write the Second Opportunity Examination after failing the First Opportunity examination, the maximum final pass mark that can be awarded is 50% (as in the past with Supplementary Examinations).

#### C.3.5 MINIMUM REQUIREMENTS FOR RE-ADMISSION INTO THE SCHOOL

#### Normal enrolment:

To be re-admitted to the School of Accounting for a particular year of registration, a student must have passed the minimum number of courses required as indicated below:

• 66 credits (of which 24 must be non-core) by the end of the first year of registration, however for readmission into the programme this must include at least one out of two modules of Financial Accounting 1A or Financial Accounting 1B (codes: C3511FF or C3512FF);

• 161 credits (of which 92 must be non-core) by the end of the second year of registration including all first year Accounting modules and the second year Financial Accounting module;

- 274 credits by the end of the third year of registration
- 324 credits by the end of the fourth year of registration
- 396 credits by the end of the fifth year of registration
- The programme must be completed after a maximum of 5 years of registration

#### Extended enrolment:

• 66 credits (of which 24 must be non-core) by the end of the first year of registration, however for readmission into the programme this must include at least one out of two modules of Financial Accounting 1A or Financial Accounting 1B (codes: C3511FF or C3512FF);

• 141 credits (of which 72 must be non-core) by the end of the second year of registration including all first year Accounting modules and the second year Financial Accounting module;

- 200 credits by the end of the third year of registration
- 264 credits by the end of the fourth year of registration
- 324 credits by the end of the fourth year of registration
- 396 credits by the end of the sixth year of registration
- The programme must be completed after a maximum of 6 years of registration

#### C.3.6 ADVANCEMENT AND PROGRESSION RULES

#### Normal enrolment:

A student advances to the subsequent academic year of study when the following conditions have been met:

- Year 1 to Year 2: At least 88 credits including the entire core.
- Year 2 to Year 3: All first-year credits in addition to at least 54 third year credits

#### Extended enrolment:

A student advances to the subsequent academic year of study when the following conditions have been met in terms of the Extended Programme year structure:

Year 1 to Year 2: At least 60 credits

- Year 2 to Year 3: All first-year credits in addition to at least 64 second year credits
- Year 3 to Year 4: All second-year credits and at least 54 third year credits

A student who fulfilled the re-admission requirements but could not advance to the next academic year must first register for all failed modules. Subject to pre-requisites, such a student may then add modules of the subsequent academic year, provided that the total number of registered credits does not exceed the prescribed number of credits of the current academic year by more than 20%.

#### C.3.7 MAXIMUM NUMBER OF COURSES PER YEAR

A student may register for a maximum of twelve modules as from second yearn onwards during a particular academic year. Courses that are repeated and those followed for non-degree purposes are included in the allowable maximum of twelve modules.

#### C.3.8 REQUIREMENTS FOR QUALIFICATION AWARD

This qualification will be awarded to people credited with a minimum of 396 credits, and who have met the requirements of the compulsory and elective sections.

#### C.3.9 IMPLEMENTATION STRATEGY

The programme will be implemented in a phased approach as per the table below:

	2024	2025	2026	2027	2028
New Programme phasing-in	1	1&2	1&2&3	Fully phased-in	Fully phased-in
Old Programme phasing-out	2,3,4	3,4	4	Partially- phased-out	Completely phased-out no option of re-admission and progression as per regulations
[Module repeaters of the old programme] Phasing out of failed modules under old programme as per transition plan subject to no re- admission and progression as per regulations 7.13.1 (5), (7) & (8)	1,2,3,4	2,3,4	3,4	4	Completely phased-out no option of re-admission and progression as per regulations

#### C.3.10 MODE OF DELIVERY

The programme is offered full time at main campus using face to face mode. The programme is also offered on distance mode.

#### C.3.11 DURATION OF STUDY

The minimum duration of Bachelor of Commerce in Accounting (Honours) is three years. Students follow the programme in effect at the time of their most recent date of admission, transfer or readmission. The School has the right to amend the curriculum for academic and professional reasons at any time. On distance mode the minimum duration to complete this program is 6 years.

#### C.3.12 COURSE EQUIVALENTS

This is a new programme, and no equivalents exist for this programme.

A subminimum of 40% in the examination is required to pass, irrespective of the final mark

To pass this Module the student must obtain a minimum.

Pre-requisites: C3511FF & C3512FF

#### Module Description:

The module is designed to train students in the application and performance of the audit process.

<b>Cooperative Work Int</b>	egrated Engagement	C3602CW
NQF Level: 6	Credits: 8	Contact hours: 2 contact lecture hours per week for one semester
Module assessment:	Continuous assessment of	contributes 100% of the final mark. The continuous assessment consists of two tests,

two assignments and a paper on practical engagement modalities.

## Pre-requisites: None

Module Description:

The purpose of this module is to prepare students for cooperative and work integrated learning through internships, community engagement, service learning and simulations.

YEAR 3		
Financial Management		C3703FT
NQF Level: 7	Credits: 8	Contact hours: 2 hours lecture & 1 tutorial per week for 2 Semesters
Module assessment:	Continuous ass	essment will make up 50% of the module grade consisting of a combination of Tests,
Assianments/Quizzes and	d Practical repor	ts/Student portfolios.

#### Summative Assessment:

Examination: 1 x 2h examination at the end of the year that counts 50% towards the final mark

Final Mark: 50% CA mark and 50% Examination mark. A subminimum of 40% in the examination is required to pass, irrespective of the final mark

To pass this Module the student must obtain a minimum final mark of 50%

#### Pre-requisites: None

#### Module Description:

The module is designed to equip the students with skills in making investment decisions involving valuation of businesses and evaluating different positions in mergers and take overs.

#### **Managerial Accounting 2**

C3713FM

NQF Level: 7 Credits: 16 Contact hours: 4 hours lecture & 1 tutorial per week for 2 Semesters Module assessment: Continuous assessment will make up 50% of the module grade consisting of a combination of Tests, Assignments/Quizzes and Practical reports/Student portfolios.

Summative Assessment:

Examination: 1 x 3h examination at the end of the semester that counts 50% towards the final mark

Final Mark: 50% CA mark and 50% Examination mark. A subminimum of 40% in the examination is required to pass, irrespective of the final mark

To pass this Module the student must obtain a minimum final mark C3613FM

Pre-requisites:

#### Module Description:

The module is designed to train students to become competent users of accounting information and to fully integrate their understanding of cost behaviour, relevant costs and control systems pricing, capital budgeting and modern costing techniques into the analysis and solving of business problems.

#### Auditing 2

NQF Level: 7

C3703AA

Credits: 16 Contact hours: 2 hours lecture & 1 tutorial per week for 2 Semesters Module assessment: Continuous assessment will make up 50% of the module grade consisting of a combination of Tests, Assignments/Quizzes and Practical reports/Student portfolios.

#### Summative Assessment:

Examination: 1 x 3h examination at the end of the semester that counts 50% towards the final mark

Final Mark: 50% CA mark and 50% Examination mark. A subminimum of 40% in the examination is required to pass, irrespective of the final mark

To pass this Module the student must obtain a minimum final mark of 50%

Pre-requisites: C3611AA & C3602AA

#### Module Description:

This course introduces students to the environment of an audit practice, the advanced theory of auditing and legal aspects of audit practice (covering all the International Engagement Standards (IESs)) and carrying out of the audits.

#### **Financial Accounting 3**

NQF Level: 7

Contact hours: 5 hours lecture & 1 tutorial per week for 2 Semesters

Credits: 16 Module assessment: Formative Assessment: Continuous assessment will make up 50% of the module grade consisting of a combination of Tests, Assignments/Quizzes and Practical reports/Student portfolios.

Summative Assessment: Examination: 1 x 3h examination at the end of the semester that counts 50% towards the final mark Final Mark: 50% CA mark and 50% Examination mark. A subminimum of 40% in the examination is required to pass, irrespective of the final mark.

To pass this Module the student must obtain a minimum final mark of 50%.

C3613FF

Pre-requisites:

### Module Description:

The module is designed to train students to apply International Financial Reporting Standards, the theoretical framework and International Financial Reporting Sustainability Standards in the Specific and Group Financial Reporting.

#### WORKPLACE ATTACHMENT

NQF Level: 7	Credits: 24	Contact hours: 6 weeks
Module assessment:	Continuous asse	ssment (100%).
Pre-requisites:	C3602CW	
AA - shad - Disa - shadda a		

### Module Description:

The purpose of this module is to provide students an opportunity to acquire practical professional accounting skills and experiences and to strengthen their interpersonal skills, problem solving skills, written and oral communication skills through workplace attachment to related industry.

## **PROJECT-BASED LEARNING**

NQF Level: 7	Credits: 24	Contact hours: 6 weeks
Module assessment:	Continuous asse	ssment (100%).
Pre-requisites:	C3602CW	
Module Description:		

The purpose of this module is to provide students an opportunity to acquire practical professional accounting skills and experiences and to strengthen their interpersonal skills, problem solving skills, written and oral communication skills through realworld financial projects engagement.

### G.2 UNIVERSITY CORE COURSES BY OTHER FACULTIES

COMPUTER LITERACY		UCLC3509	
NQF Level: 5	Credits: 8	Contact hours: 1 lecture theory and 1 lecture practical per week	
		for 14 weeks	
Module assessment:	Continuous Assessment 100%: 2 Practical Tests 50%, 2 Theory Tests 50%		
Pre-requisites:	University Entry		
Module Description:			
The aim of this module	is to equip the stud	dents through hands-on experience with the necessary skills to use application software:	

The aim of this module is to equip the students through hands-on experience with the necessary skills to use application software: word processing, spreadsheets, databases, presentations and communications. The objective is to increase student's productivity in both the education and later, the work environment.

**Content:** The module covers the following topics. Introduction to Computers: hardware and software, types and categories of computers, usage of Computer devices and peripherals. Working with the windows operating system: File Management, working with multiple programs, using the recycle bin. Using a word processor: formatting a text and documents, spelling check, grammar and thesaurus tools, inserting tables, auto-shapes, clip arts, charts, and mail merge. Spreadsheet: worksheets and workbooks, ranges, formulas and functions, creating graphs, charts, and printing the workbook. Databases: creating tables, relationships, queries, forms and reports. Presentation software: slide layout and master, animations, auto-content wizard and templates. Communication tools: introduction to the Internet, web browsers, search engines, downloading and uploading files, creating and sending messages, email etiquette, internet security, and digital signatures.

CONTEMPORARY SO	OCIAL ISSUES(OFFERED	IN SEMESTER 1 AND SEMESTER 2)	UCSI3580	
NQF Level: 5	Credits: 8	Contact Hours: 1 hour lecture	per week for 28 weeks	

**Module Assessment:** This is a 100% continuous assessment module with a variety of assessments which evaluate and test the students' individual learning and mastering of the course content (subject knowledge) through quizzes, tests, Moodle assignments, journal entries, reflections as well as service and experiential learning projects.

Pre-requisite: None

#### Module Description:

The module, **Contemporary Social Issues (CSI3580)**, is designed to encourage behavioural change among UNAM students and inculcate the primacy of moral reasoning in their social relations and their academic lives. In providing students with critical and analytical thinking the module enables students to grow and develop into well rounded citizens, capable of solving contemporary social challenges experienced in their communities and societies. The teaching of the module takes three dimensions: the intellectual, the professional and the personal dimensions. The intellectual dimension is fostered through engaging students with subject knowledge, independent learning and module assessment. The professional dimension, on the other hand, is fostered through exposing students to real life situations of case studies and practical exercises that draws attention to social issues that attract ongoing political, public and media attention and/or debate.

### Postgraduate Diploma in Internal Auditing

#### [61PDIA]

#### **OBJECTIVES AND RATIONALE OF THE PROGRAMME**

THE POSTGRADUATE DIPLOMA IN INTERNAL AUDITING AIMS TO DEVELOP STUDENTS TO RENDER A PROFESSIONAL INTERNAL AUDITING SERVICE AS INTERNAL AUDIT MANAGERS AND OR CONSULTANTS TO ALL TYPES OF ORGANISATIONS, INCLUDING PRIVATE COMPANIES, PUBLIC COMPANIES, GOVERNMENT AND AUDITING OR CONSULTATION FIRMS.

THE PROGRAMME WILL EQUIP STUDENTS WITH A WELL-ROUNDED ADVANCED KNOWLEDGE OF THE PROFESSIONAL PRACTICE OF INTERNAL AUDITING AS WELL AS THE COMPETENCY TO MANAGE INTERNAL AUDIT ACTIVITIES AND PERFORM INTERNAL AUDIT ASSURANCE AND CONSULTING ENGAGEMENTS. MORE SPECIFICALLY, THE QUALIFICATION WILL EQUIP THE LEARNER WITH SPECIALISED KNOWLEDGE IN INTERNAL AUDITING, INFORMATION TECHNOLOGY (IT) GOVERNANCE AND AUDITING, FRAUD RISK MANAGEMENT, BUSINESS GOVERNANCE, ETHICS AND STRATEGY, PERFORMANCE MANAGEMENT AND RISK MANAGEMENT. STUDENTS/GRADUATES ARE EQUIPPED WITH THE ABILITY TO COMMUNICATE CORRECTLY, COHERENTLY AND SUCCESSFULLY AS INTERNAL AUDITORS BY MEANS OF WRITTEN, ORAL AND OTHER PERSUASIVE METHODS. SUCCESSFUL CANDIDATES WILL HOLD IN HIGH REGARD THEIR DUTY TO CONTRIBUTE MEANINGFULLY TO THE DEVELOPMENT OF THE LOCAL AND GLOBAL SOCIETY AND ECONOMY.

THIS QUALIFICATION WILL ALSO IMPART ADVANCED SKILLS AND COMPETENCIES IN NUMERACY MANAGEMENT, LITERACY AND ARTICULATION. THE QUALIFICATION IS AN IDEAL OPPORTUNITY FOR PROFESSIONALS ALREADY WORKING IN INTERNAL AUDITING OR OTHER AREAS OF BUSINESS TO EXPAND THEIR KNOWLEDGE OF INTERNAL AUDITING AND THE RELATED FIELDS MENTIONED ABOVE. THE PROGRAMME IS ALIGNED TO DEMANDS OF THE 4IR ON THE ACCOUNTING PROFESSION BY UPDATING, ENRICHING, AND REFOCUSING THE TEACHING AND LEARNING APPROACH TO THE REQUIREMENTS OF THE 4IR.

THIS PROGRAMME ENABLES GRADUATES TO MAKE MEANINGFUL CONTRIBUTION TO THE DEVELOPMENT OF SOCIETY AND ECONOMY IN TERMS OF RESPONSIVENESS TO SOCIETY AND INDUSTRY NEEDS IN LINE WITH STRATEGIC OBJECTIVES OF THE UNIVERSITY OF NAMIBIA, AND ACHIEVEMENT OF GOVERNMENT NATIONAL DEVELOPMENT GOALS SUCH AS VISION 2030, AND THE NATIONAL DEVELOPMENT PLANS, AS WELL AS INTERNATIONAL IMPERATIVES SUCH AS SUSTAINABLE DEVELOPMENT GOALS (SDGS). IN ADDITION, THIS PROGRAMME IS DESIGNED TO CONTRIBUTE TO NATIONAL PRIORITIES AS ARTICULATED IN THE SUSTAINABLE DEVELOPMENT GOALS; NO. 1 - NO POVERTY; NO. 4 - QUALITY EDUCATION; NO.8 – DECENT WORK AND ECONOMIC GROWTH; NO. 9 - INDUSTRY, INNOVATION AND INFRASTRUCTURE; NO. 11 – SUSTAINABLE CITIES AND COMMUNITIES. HENCEFORTH, THIS QUALIFICATION AIMS AT ADDRESSING NAMIBIA'S NEED FOR COMPETENT ACCOUNTANTS IN BOTH THE PUBLIC AND PRIVATE SECTORS AS WELL AS PRODUCING VERSATILE GRADUATES COMPETITIVE IN THE GLOBAL BUSINESS WORLD.

#### CRITERIA FOR ADMISSION

Applicants should be holder of A Bachelor of Commerce in Accounting degree (NQF 7) or equivalent qualification from a recognised institution, with average final mark of at least 55% in financial accounting and auditing related modules. Admission may be considered on the basis of recognition of prior learning as per university policy.

#### ADDITIONAL SELECTION CRITERIA

- The mere fulfilment of the admission requirements does not guarantee a place in the Programme. Admission will be based on the availability of space.
- Prospective students may be interviewed and assessed by the School of Accounting before recommendation to the School of Postgraduate Studies for admission.

#### **ARTICULATION OPTIONS**

Students who successfully complete the Postgraduate Diploma in Internal Auditing may articulate into the Master of Science in Accounting and Finance programme or any other relevant Masters Programme and the Institute of Internal Auditors (IIA).

#### ASSESSMENT CRITERIA

The CA will comprise a combination of the following: written tests, assignments, simulations, portfolios and seminar presentations as specified under the respective Module Descriptors.

For modules assessed through 100% CA, a final mark of 50% is required to pass. For modules assessed through a combination of CA and Examination:

A minimum CA Mark of 40% is required to gain entrance into the relevant module examination, unless otherwise stated in the individual module descriptor.

In order to pass a module, a minimum final mark of 50% is required, unless otherwise stated in the individual module descriptor. The final mark for each module will be calculated using a ratio of CA mark: Exam mark of 50:50 unless otherwise stated in the individual module descriptor.

Notwithstanding the above, a subminimum of at least 40% will apply to the Exam Mark, unless otherwise stated in the individual module descriptor.

Students must attain a subminimum of at least 40% and a minimum of 45% final mark to qualify for a Supplementary Examination, unless otherwise stated in the individual module descriptor.

#### Minimum requirements for re-admission into the School / Programme

#### Normal enrolment

To be re-admitted to the School of accounting a student must have successfully completed the following minimum number of credits as indicated below:

60 number of credits by the end of the first year of registration 90 number of credits by the end of the second year of registration

The programme must be completed after a maximum of 3 years of registration

#### • Extended enrolment:

This will be determined on a case by case upon consultation with the School of Accounting.

#### ADVANCEMENT AND PROGRESSION RULES

THIS IS A ONE YEAR PROGRAMME AND THUS THE ADVANCEMENT AND PROGRESSION RULES ARE NOT APPLICABLE.

#### REQUIREMENTS FOR QUALIFICATION AWARD

THE QUALIFICATION WILL BE AWARDED TO STUDENTS CREDITED WITH THE MINIMUM OF 138 NQF CREDITS (ALL AT NQF LEVEL 8).

#### IMPLEMENTATION STRATEGY FOR THE REVISED CURRICULUM

THIS NEW PROGRAM WILL BE IMPLEMENTED IN COLLABORATION WITH THE PROFESSIONAL BODY IN 2023. THE PROGRAMME WILL BE OFFERED OVER A YEAR.

#### CURRICULUM FRAMEWORK: SUMMARY TABLE FOR ALL MODULES IN THE PROGRAMME

•	Reflective essays	s and student portfolios (20%)	
Examination: There is a		ion at the end of the semester and counts 50% towards the CA mark and 50% Examination mark	e final mark.
•		dule the student must obtain a minimum final mark of 50%	% and a subminimum of 40%
should be obtained in t	the examination. <b>P</b>	re-requisites: None	
Module purpose and d	escription:		
risk management and	control so as to a	ernative corporate governance systems, codes of ethics, c assist all levels of management in an organization to ach pective, to optimizing the functioning of the organization.	

Information Systems Auditing		C4832AF			
NQF Level: 8	Credits: 18	Contact hours: 4 hours per week for one semester			
Module assessment:	Continuous asse	ssment will make up 50% of the module grade structured as follows:			
	• A minimum of tw	vo tests (60%)			
	Assignments/Qui	izzes (20%)			
	Reflective essays and student portfolios (20%)				
Examination: There i	s a one 3hr examinati	on at the end of the semester and counts 50% towards the final mark.			
	• Final Mark: 50%	CA mark and 50% Examination mark			
	• To pass this Mod	dule the student must obtain a minimum final mark of 50% and a subminimum of 40%			
should be obtained	in the examination.				
Pre-requisites:	None				

#### Module purpose and description:

Develop the student's knowledge and skills of managing information security, systems software, IT infrastructure and IT control frameworks and Disaster recovery.

Business Research Project		C4872AB	
NQF Level: 8	Credits: 16 Contact hours: 6 hours per week for 14 weeks		
Module assessment:	Continuous assessment (50%): two tests and one assignment		
	Examination (SC	%): 1 x 3 hour paper	
Pre-requisites:	None		

#### Module Description:

To assess the students' independent ability to identify and investigate a problem and develop a written report using sustained arguments linking theory and evidence.

#### The detailed module contents are as follows:

Students shall select a problem for study from the areas of: financial accounting, auditing, income tax or management accounting and develop a research proposal. Candidates are expected to follow normal research procedures and write a report in the format provided by the School of Accounting. The project work and report submitted should indicate a candidate's independent ability to identify and investigate a problem and develop a written report using sustain argument linking theory and evidence.

#### MASTER OF SCIENCE IN ACCOUNTING AND FINANCE

#### [12MSAF]

1) This program consists of two major parts i.e.: core modules and a thesis. The program runs for two full academic years of evening study.

#### **OBJECTIVE AND RATIONALE OF THE PROGRAM**

- 2) The Master of Science in Accounting and Finance Programme consists of two major parts: core taught modules and a thesis.
- 3) This programme is designed for graduates with interest and sound knowledge of accounting and finance. It offers participants advanced preparation for career development in accounting and finance and it also provides an excellent foundation from which to pursue research at Doctoral level. The target group includes finance managers and accountants who are responsible for the accounting and financial management of organizational resources. It is also appropriate for those who aspire to work as chief financial officers, management accountants, finance managers, financial analysts, controllers, and their assistants in the private and public sector organisations and those who are already in employment in these areas.

#### CRITERIA FOR ADMISSION

- 1. A student must have:
  - A Bachelor of Accounting (level 8) or an equivalent degree from the University of Namibia or any other recognized institution of higher learning with at least a C grade average (lower second class).
  - A Postgraduate diploma in business related fields from the University of Namibia or its equivalent with at least a C grade average (lower second class).
- 2. Prospective students may be interviewed and assessed by the Department of Accounting before recommendation to the School of Postgraduate Studies for admission.

#### INTAKE

The mere fulfilment of the admission requirements does not guarantee a place in the Programme as admission is limited to 15 per intake.

The intake for the Master of Science in Accounting and Finance shall be every alternate year.

#### MODE OF DELIVERY

The Master of Science in Accounting and Finance is a face to face, full time evening study programme. Teaching includes lectures, discussions, case analyses, student presentations, group projects and lectures/seminars by guest speakers from industry and government.

#### **DURATION OF STUDY**

The Master of Science in Accounting and Finance shall be a two years full-time face to face evening study Programme. The maximum study period for the programme is four (4) academic years.

#### ASSESSMENT AND EVALUATION OF STUDENTS

- 1. For each taught course, there will be a continuous assessment involving at least two pieces of work, which may be tests, assignments, term papers, case studies as deemed necessary by the lecturer. There will be a three-hour final examination at the end of the semester in which a course is offered.
- 2. A student must obtain a continuous assessment mark of 40% for admittance to the main examination. The University of Namibia's regulations for postgraduate studies shall be applicable in respect of class attendance, examinations, academic integrity, and ranking achieved.
- 3. The final marks will consist of Continuous Assessment Marks (50%) and the final examination marks (50%).
- 4. A student must submit a research proposal at the beginning of the first semester of the second year of study to the Department. The student shall be further required to present the proposal at a Departmental Seminar consisting of his/her supervisor, other members of the Programme and departmental staff. The Department will assign a supervisor to each student. The proposal must be approved by the department of Accounting, Auditing and Income Tax, School of Economics and Management Science and the School Postgraduate Studies Committee before research study can be conducted.
- 5. The thesis will be evaluated by two examiners (one internal examiner and one external examiner).

#### MAXIMUM NUMBER OF COURSES PER YEAR

First year (First and Second semester)	4 + 3 = 7	132 credits
----------------------------------------	-----------	-------------

Second Year (First and Second semester)	3 + Thesis	132 credits
Total	10 + Project	264 credits

ADVANCEMENT AND PROGRESSION RULES

- A student who fails a module must re-register in the next cycle. A student who fails more than three module in the first year will be discontinued from the Programme.
- A student must pass all coursework examinations before proceeding to write the thesis.

#### IMPLEMENTATION STRATEGY FOR THE REVISED CURRICULUM

- The new revised curriculum shall be applicable from January 2014 to students registering for the qualification thereafter.
- The students registered under the existing curriculum shall continue with the existing curriculum to qualify for the Master of Science in Accounting and Finance degree. Any student who fail a module in the existing curriculum will have to register for the following equivalent modules:

Pre-requisites:	None	

#### Module Description:

Research ethics and research standards; resources for conducting research in accounting and finance; research procedure formulating a research problem, literature review, conceptualization of research objectives and research questions, research hypotheses; methodology of research, research design, sampling; data collection methods, testing validity and reliability and measurement of outcomes; data analysis - basic statistical and econometric techniques for research, regression analysis, correlation analysis, time series analysis; hypothesis testing and statistical inference - use of parametric and nonparametric methods; advanced topics on financial modelling, multi co-linearity; developing a research report and presentation of research findings.

#### YEAR 2 : SEMESTER 1

INTERNATIONAL INVEST	MENT & FINANCE	CAIF5931				
NQF Level: 9	Credits: 24	Contact hours: 4 lecture hours per week for 14 weeks				
Module assessment:	Continuous assessment (50%): two tests and one assignment					
	Examination (509	%): 1 x 3 hour paper				
Pre-requisites:	ACF5931 & AAM	5932				

### Module Description:

The focus of this course is to provide exposure to international markets, institutions, financial instruments and working of multinational companies. The content to be covered includes: International financial institutions; international money and capital markets; financial instruments and financial indicators; international business - planning and decision-making related to international business, evaluation of investment opportunities, entering new markets, environmental and organizational factors that influence business decisions of multinational corporations(political, cultural, legal and economic environmental); international business strategies; international task management (marketing, production, accounting, financing, human resource management); offshore financing, external and domestic borrowing options, foreign exchange exposure; foreign exchange markets - rate changes – short run exchange rate behaviour and long run exchange rate behaviour, interest rates and currency swaps, hedging with forwards, futures and options; role of international and regional commerce unions in multinational trade and commerce.

Investment Manageme	ent and Financial De	erivatives	CAIM5931		
NQF Level: 9	Credits: 24	Contact hours:	4 lecture hours per week for 14 weeks		
Module assessment:	Continuous assessment (50%): two tests and one assignment				
	Examination (509	%): 1 x 3 hour paper			
Pre-requisites:	ACF5931				

#### Module Description:

Incorporates the principles of investment in securities with varying degrees of risk and return. It includes topics on investment risk, historical risk-return relationships, valuation of various financial instruments, technical analysis, procedures of the securities industry, formula investing, private equity companies and investment companies.

It covers the theory and practice of derivatives; explains pricing, hedging, markets and institutions, and the regulatory environment; studies the organized and over-the-counter derivative markets and regulations; emphasizes financial and real options, forward and futures contracts, equity and index derivatives, foreign currency, commodity, and interest rate derivatives, swaps, and the recent expansion into trading of exotic options.

Contemporary Issues in	n Accounting and Fi	nance	CACI5951		
NQF Level: 9	Credits: 24	Contact hours:	4 lecture hours per week for 14 weeks		
Module assessment:	Continuous assessment (50%): two tests and one assignment				
	Examination (50%	%): 1 x 3 hour paper			
Pre-requisites:	AAF5981 and AA	F5982			

## Module Description:

For achieving the above objective the Department shall select before the launching of the batch of students 10 contemporary issues in Accounting and Finance, identify at least two high quality research papers that comprehensively explore each identified issue from international research journals in Accounting and Finance and get them approved by Departmental Committee. The issues identified for the first intake of revised Programme are:

- 1. Risks of Overstatements and Understatements in Financial Reporting
- Market Integrity and Disclosure Quality 2.
- 3. Intangible Disclosures for Market Risk
- 4. Voluntary Disclosures
- 5. Cash Flows and Business Sustainability
- SME Financial Reporting 6.
- **Executive Compensation and Performance** 7.
- Excess Audit Fees and Audit Quality 8.
- 9. Management Fraud Schemes
- 10. Accounting Research in Africa

#### Financial Investigation and Forensic Accounting

Financial Investigation and Forensic Accounting CAFI595							
NQF Level: 9	Credits: 24	Contact hours: 4 lecture hours	per week for 14 weeks				
Module assessment:	Continuous assessment (50%): two tests and one assignment						
	Examination (50	1%): 1 x 3 hour paper					
Pre-requisites:	AAF5981 and AAF5982						

#### Pre-requisi Module Description:

The detailed contents are as follows:

Money laundering and the Financial Intelligence act 3 of 2007; Tax evasion; Economics of crime; Organized crime; Financial crimes; Accounting and audit techniques; Sources of information; Detective and investigative tools and techniques; Investigative interview analysis; Bank and Finance; Cyber-crimes; Financial Intelligence Act; Financial statement fraud.

#### YEAR 2: SEMESTER 2

THESIS	CATH5972
NQF Level: 9	Credits: 60
Module assessment:	Thesis will be evaluated by one internal and one external examiner. The quality of the thesis will be judged on the extent to which the candidate follows UNAM's rules and regulations that govern thesis writing
Pre-requisites:	Successful completion of all taught modules of first and second semester of first year.

#### Module Description:

A student shall undertake research on a problem in accounting and/or finance after the approval of the proposal by UNAM Post Graduate Studies Committee (PGSC). The thesis work will be done under the supervision of a research supervisor assigned by the department. The research shall be conducted and research report shall be submitted for evaluation as per the guidelines of UNAM Post Graduate Studies Committee (PGSC).

Through the guided development of research a student will learn to identify a research problem, set research objectives, formulate research questions, undertake review of literature, collect and analyse data, develop research report using sustained argument linking theory and evidence.

## POST GRADUATE DIPLOMA IN MANAGEMENT ACCOUNTING

#### 61PDMA

#### **Objectives and Rationale of the Programme**

The main purpose of this qualification is to train students in the specialised discipline of management accounting. Accountants are not the same. They do different things. Management accountants focus on running the business on a day to day basis.

This programme enables graduates to make meaningful contribution to the development of society and economy in terms of responsiveness to society and industry needs in line with strategic objectives of the University of Namibia.

Achievement of government national development goals such as Vision 2030, and the national development plans, as well as international imperatives such as Sustainable Development Goals (SDGs).

#### Criteria for Admission

Applicants should be holder of A Bachelor of Commerce in Accounting degree (NQF 7) or any equivalent qualification from a recognised institution with average final mark of at least 55% in management accounting and managerial finance related modules. Admission may be considered on the basis of recognition of prior learning as per university policy.

#### Additional Selection Criteria

The mere fulfilment of the admission requirements does not guarantee a place in the Programme. Admission will be based on the availability of space.

Prospective students may be interviewed and assessed by the School of Accounting before recommendation to the School of Postgraduate Studies for admission.

#### Articulation Options

Successful completion of this qualification allows entry into the Master of Science in Accounting and Finance programme and into CIMA exams.

#### Assessment Criteria

- The CA will comprise a combination of the following: written tests, assignments, simulations, portfolios and seminar presentations as specified under the respective Module Descriptors.
- For modules assessed through 100% CA, a final mark of 50% is required to pass. For modules assessed through a combination of CA and Examination:
- A minimum CA Mark of 40% is required to gain entrance into the relevant module examination, unless otherwise stated in the individual module descriptor.
- In order to pass a module, a minimum final mark of 50% is required, unless otherwise stated in the individual module descriptor.
- The final mark for each module will be calculated using a ratio of CA mark: Exam mark of 50:50 unless otherwise stated in the individual module descriptor.
- Notwithstanding the above, a subminimum of at least 40% will apply to the Exam Mark, unless otherwise stated in the individual module descriptor.
- Students must attain a subminimum of at least 40% and a minimum of 45% final mark to qualify for a Supplementary Examination, unless otherwise stated in the individual module descriptor.

#### Minimum requirements for re-admission into the School / Programme

Normal enrollment

- To be re-admitted to the School of accounting a student must have successfully completed the following minimum number of credits as indicated below:
- 60 number of credits by the end of the first year of registration
- 90 number of credits by the end of the second year of registration
- The programme must be completed after a maximum of 3 years of registration

Extended enrollment:

This will be determined on a case by case upon consultation with the School of Accounting.

#### Advancement and progression rules

This is a one-year programme and thus the advancement and progression rules are not applicable.

#### **Requirements for Qualification Award**

The Qualification will be awarded to Students credited with the minimum of 138 NQF credits (all at NQF level 8).

#### Implementation strategy

This new program will be implemented in collaboration with the professional Body in 2023. The programme will be offered over a year.

Examination: There is a one 3hr examination at the end of the semester and counts 50% towards the final mark.

- Final Mark: 50% CA mark and 50% Examination mark
  - To pass this Module the student must obtain a minimum final mark of 50% and a subminimum of 40% should be obtained in the examination.

#### Pre-requisite: None

#### Module purpose and description:

Equip students with knowledge and skills to evaluate and manage risks that might prevent organisations from successfully implementing strategy

#### The detailed module contents are as follows:

Enterprise risk: Upside and downside risks; Risks arising from internal and external sources; Risks arising from international operations; Strategic and operational risks; Quantification of risk exposure; Risk maps; Role of board and others in the organisation for identifying and managing risks; Risk mitigation including TARA – transfer, avoid, reduce, accept; Assurance mapping; Risk register; Risk reports and responses; Ethical dilemmas associated with risk management; Strategic risk; Analysis of strategic choice; Scenario planning; Stress-testing strategy; Risks of unethical behavior; Impact on brand and reputation of organisation; Separation of the roles of CEO and chairman; Role of non-executive directors; Roles of audit committee, remuneration committee, risk committee and nomination committee; Directors' remuneration; Internal controls; Role of risk manager as distinct from internal auditor; Control systems in functional areas; Operational features of internal control; Governance and culture; Strategy and objective setting; Performance; Review and revision; Information, communication and reporting; Identifying and evaluating control weakness and compliance failures; Compliance audit, fraud investigation, value for money audit and management audit; Operation of internal audit; Assessment of audit risk; Process of analytical review; Independence, staffing and resourcing of internal audit; Preparation and interpretation of internal audit reports; Cyber risks; Malware; Application attacks; Hackers; Result of vulnerabilities including downtime, reputational loss, customer flight, legal and industry consequences; Protection, detection and response ; Centralised management; Centralised monitoring; System level analysis, storage analysis and network analysis; Reverse engineering, decompilation and disassembly; Network discovery, vulnerability probing, exploiting vulnerabilities; Tiers of software security; Description criteria including nature of business and operations, nature of information at risk, risk management programme objectives, cybersecurity risk governance structure etc.

#### **Financial Strategy**

#### C4872FS

NQF Level: 8 Credits: 180 Contact hours: 4 Contact lecture periods per week for one core semester Module assessment: Continuous assessment will make up 50% of the module grade structured as follows:

- A minimum of two tests (60%)
  - Assignments/Quizzes (20%)
- Reflective essays and student portfolios (20%)

Examination: There is a one 3hr examination at the end of the semester and counts 50% towards the final mark.

- Final Mark: 50% CA mark and 50% Examination mark
- To pass this Module the student must obtain a minimum final mark of 50% and a subminimum of 40% should be obtained in the examination.

#### Pre-requisite: None

#### Module purpose and description:

Equip students with advanced knowledge and skills to valuing organizations; and sourcing financial resources required to implement of strategy.

#### The detailed module contents are as follows:

Financing policy decisions: Profit and not-for-profit organisations; Quoted and unquoted companies; Private and public sector organisations; Value for money, maximising shareholder wealth; Earnings growth, dividend growth; Impact of underlying economic conditions and business variables on financial objectives; Enhancing the value of other non-financial capitals (human capital, intellectual capital and social and relationship capital); United Nations Sustainability Development Goals; Use of policy decisions to meet cash needs of entity; Sensitivity of forecast financial statements and future cash position to these policy decisions; Consideration of the interests of stakeholders; Lenders' assessment of creditworthiness; Consideration of domestic and international tax regulations; Consideration of industry regulations such as price and service controls; Sources of long-term funds: Capital structure theories (traditional theory and Miller and Modigliani (MM) theories); Calculation of cost of equity and weighted cost of capital to reflect changes in capital structure; Impact of choice of capital structure on financial statements; Structuring debt/equity profiles of companies in a group; Types of debt instruments and criteria for selecting them; Managing

interest, currency and refinancing risks with target debt profile; Private placements and capital market issuance of debt; Features of debt covenants; Methods of flotation and implications for management and shareholders; Rights issues, choice of discount rates and impact on shareholders; Calculation of theoretical ex-rights price (TERP) and yield adjusted TERP; Features and criteria; Impact on shareholder value and entity value, financial statements and performance; Financial risks: Economic risk; Political risk; Currency risk; Interest rate risk; Theory and forecasting of exchange rates (e.g. interest rate parity, purchasing power parity and the Fisher Effect); Value at risk; Responses to economic transaction and translation risks; Operations and features of swaps, forward contracts, money market hedges, futures and options; Techniques for combining options in order to achieve specific risk profile such as caps, collars and floors; Internal hedging techniques; Business valuation: Reasons for M& A and divestments; Taxation implications; Process and implications of management buy-outs; Acquisition by private equity and venture Capitalist; Asset valuation; Valuation of intangibles; Different methods of equity valuation (share prices, earnings valuation, dividend valuation, discounted cash flow valuation); Capital Asset Pricing Model (CAPM); Efficient market hypothesis; Forms of consideration; Terms of acquisition; Target entity debt; Methods of financing cash offer and refinancing target entity debt; Bid negotiation; Post-transaction value incorporating effect of intended synergies; M& A integration and synergy benefit realisation; Exit strategies

#### Business Research Project

 NQF Level: 8
 Credits: 16
 Contact hours: 6 hours of supervision per week for one semester

 Module assessment: Continuous assessment (50%): Final assessment of research report (50%)

 Pre-requisite:
 None

#### Pre-requisite: None Module purpose and description:

To assess the students' independent ability to identify and investigate a problem and develop a written report using sustained arguments linking theory and evidence.

#### The detailed module contents are as follows:

Students shall select a problem for study from the areas of: financial accounting, auditing, income tax or management accounting and develop a research proposal. Candidates are expected to follow normal research procedures and write a report in the format provided by the School of Accounting. The project work and report submitted should indicate a candidate's independent ability to identify and investigate a problem and develop a written report using sustain argument linking theory and evidence.

#### Postgraduate Diploma in Financial Accounting

#### Objectives of the programme

The purpose of this qualification is to develop accountants that are employed by organisations or private clients to audit accounts, record business transactions, prepare annual reports and financial statements and provide financial advice.

#### Admission requirements

Applicants should be holder of A Bachelor of Commerce in Accounting degree (NQF 7) or equivalent qualification from a recognised institution, with average final mark of at least 55% in financial accounting and auditing related modules. Admission may be considered on the basis of recognition of prior learning as per university policy.

#### Additional Selection Criteria

The mere fulfilment of the admission requirements does not guarantee a place in the Programme. Admission will be based on the availability of space.

Prospective students may be interviewed and assessed by the School of Accounting before recommendation to the School of Postgraduate Studies for admission.

#### Articulation Options

Successful completion of this qualification allows entry into the Master of Science in Accounting and Finance programme, ACCA and NIPA professional programmes.

#### Assessment Criteria

The CA will comprise a combination of the following: written tests, assignments, simulations, portfolios and seminar presentations as specified under the respective Module Descriptors.

- For modules assessed through 100% CA, a final mark of 50% is required to pass. For modules assessed through a combination of CA and Examination:
- A minimum CA Mark of 40% is required to gain entrance into the relevant module examination, unless otherwise stated in the individual module descriptor.

C4872MB

61PDFA

- In order to pass a module, a minimum final mark of 50% is required, unless otherwise stated in the individual module descriptor.
- The final mark for each module will be calculated using a ratio of CA mark: Exam mark of 50:50 unless otherwise stated in the individual module descriptor.

Notwithstanding the above, a subminimum of at least 40% will apply to the Exam Mark, unless otherwise stated in the individual module descriptor.

#### Minimum requirements for re-admission into the School / Programme

#### Normal enrollment

To be re-admitted to the School of accounting a student must have successfully completed the following minimum number of credits as indicated below:

60 number of credits by the end of the first year of registration

90 number of credits by the end of the second year of registration

The programme must be completed after a maximum of 3 years of registration

Extended enrollment:

This will be determined on a case by case upon consultation with the School of Accounting.

#### Advancement and progression rules

This is a one year programme and thus the advancement and progression rules are not applicable. Please refer to section 33 Requirements for Qualification Award of this programme for requirements that should be met for the qualification to be awarded.

#### **Requirements for Qualification Award**

The Qualification will be awarded to Students credited with the minimum of 138 NQF credits (all at NQF level 8).

#### Implementation strategy

This new program will be implemented in collaboration with the professional Body in 2023. The programme will be offered over a year.

#### C.3 Diploma in Accounting

(12DIAC)

#### C.3.1 OBJECTIVE OF THE PROGRAM

This programme is designed for those who want to pursue a career in accounting, other related fields or are already in employment having similar job responsibilities and want to progress in their accounting career. The main aim of the program is to offer a 3 year qualification in accounting as required by employers in the public and private sector. The Diploma provides a 3 year qualification and successful candidates will be eligible for admission into 3rd year of the Bachelor of Accounting (honours) degree. The program is designed in such a way that it will remove duplication of modules offered through various programs and serve the stakeholders' interest in the best possible way.

#### C.3.2 CRITERIA FOR ADMISSION

To register for Diploma in Accounting an applicant should:

- Have a minimum of 22 points in 5 subjects with at least a D in English (NSSC Ordinary level) as evaluated on the UNAM admission scale OR
- Have passed certificate in accounting or auditing or certificate in taxation and management offered by the department of accounting, auditing and income tax with an average of at least 60% or a similar qualification offered by other institutions of higher learning.

Admission is also considered for persons who qualify through the Mature Age Entry Scheme upon successful completion of the relevant examinations as set out in the General Information and Regulations Prospectus.

#### C.3.3 ARTICULATION ROUTE

- Successful completion of the Diploma in Accounting (with a minimum of 60% average) allows entry into the 3<sup>rd</sup> year of Bachelor of Accounting (Honours).
- Students who obtained the diploma/advanced diploma under the old curriculum, will be allowed to continue to the Bachelor of Accounting (Honours) and will be exempted on a case by case basis.
- Students willing to study for other qualifications offered by various departments of FEMS will have to follow the admission requirements of the respective departments and may <u>be exempted on case by case basis</u> by those departments.

#### C.3.4 ASSESSMENT CRITERIA

A student will be admitted to the examination in a module if he/she has obtained the required continuous assessment mark of 40%. A candidate passes a module if a final mark of 50% is obtained. The final mark for the core modules offered by the (School of Accounting) consists of continuous assessment and examination mark in the ratio of 50:50. A sub minimum of 40% must be obtained in the continuous assessment as well as examination. Consult the General Information and Regulation Prospectus for detailed examination, promotions and re-examination rules.

#### C.3.5 MINIMUM REQUIREMENTS FOR RE-ADMISSION INTO THE SCHOOL

For re-admission into the School a student should have passed:

- At least 48 credits by the end of first year; however, for re-admission into the program this must include at least one module on Basic Financial Accounting (CAFA2411 or CAFA2412)
- At least 120 credits by the end of second year;
  - At least 196 credits by the end of third year;

#### C.3.6 MAXIMUM NUMBER OF COURSES PER YEAR

A student may register for a maximum of ten modules (equivalent to 160 credits) during a particular academic year. Modules that are repeated and those followed for non-degree purpose are included in the allowable maximum of twelve modules.

#### C.3.7 REQUIREMENTS FOR QUALIFICATION AWARD

This qualification will be awarded to candidates who pass all the modules offered on the program with a total of 368 credits. All the modules offered on this program are compulsory.

Intake for 2018 Academic year = Year 1 -to be Awarded = Diploma in Accounting

Intake for 2018 Academic year = Year 2 and Year 3 - to be Awarded = Diploma in Accounting and Auditing

#### C.3.8 IMPLEMENTATION STRATEGY For registration purposes

Intake for 2019 Academic year = Year 1 -to select programme - Diploma in Accounting Intake for 2019 Academic year = Year 2 and Year 3 - to select programme - Diploma in Accounting The programme in Windhoek is only available on distance.

#### C.3.9 ADVANCEMENT AND PROGRESSION RULES

A student advances to the following year if at least 2/3 of the credits (modules) of the previous year have been passed. If a student passed less than 2/3 of the curriculum, he/she may not register for any modules of the following year. Prerequisites for modules that require them should be passed first before registering for such modules.

#### C.3.10 CLASS ATTENDANCE

The Students must attend at least 80%. All DISTANCE MODE students to familiarize themselves with the yearbook for Centre for Open, Distance and e-learning (CODeL).

#### C.3.11 MODE OF DELIVERY

This is a full-time program offered at the following Campuses: Rundu and Southern Campuses. The same is also offered on distance mode through (CODeL)Centre for Open, Distance and e-learning.

#### C.3.12 DURATION OF STUDY

This is a 3 year full time program offered through full time and distance mode. The course is broken into six semesters of fourteen (14) weeks each and follows the university semesters. The maximum duration of the programme is 5 years.

#### C.3.13 CURRICULUM Kindly note that: ULEG2410 AND UCSI3580 ARE YEAR MODULES OFFERED IN BOTH SEMESTERS

#### C.3.14 Syllabi

#### YEAR 1 : SEMESTER 1

**BASIC FINANCIAL ACCOUNTING A** 

#### CAFA2411

NQF Level:4Credits:12Contact hours:3 lecture hour & 1 tutorial hour per week for 14 weeksModule assessment:Continuous assessment (50%): two tests and/or one assignment Examination (50%): 1 x 3 hour paperPre-requisites:None

#### Module Description:

Introduction to accounting, the conceptual framework of accounting, purpose and function of accounting, scope of accounting, the accounting equation and the elements of financial statements, the basic principles of accounting, recording in the various journals, posting to the Ledger, compiling the trial balance, yearend adjustments, Preparation of financial statements.

#### **BASIC MATHEMATICS**

CABM2411

NQF Level:4 Credits: 16 Contact hours: 4 lecture hour & 1 tutorial hour per week for 14 weeks Module assessment: Continuous assessment (50%): two tests and/or one assignment

Examination (50%): 1 x 3 hour paper None

#### **Pre-requisites:** Module Description:

The details contents are as follows:

Number systems - Roman, Decimal, Binary; Four basic operations on whole numbers, Integers and Fractions; Powers and roots, rates, ratios and percentage calculations. Measurement - Length, time, temperature, mass and capacity. Mensuration - areas and volumes.

#### YEAR 1 : SEMESTER 2

#### **BASIC FINANCIAL ACCOUNTING B** NQF Level: 4

CAFA2412 Credits: 12 Contact hours: 3 lecture hour &1 tutorial hour per week for 14 weeks Module assessment: Continuous assessment (50%): two tests and/or one assignment Examination (50%): 1 x 3 hour paper None

#### Pre-requisites: Module Description:

Accounting for current and non-current assets, Methods and procedures for recording depreciation, an overview of accounting for intangibles, Accounting for receivables, Accounting for current and non-current liabilities, cash management and preparation of bank reconciliation statement, Methods and procedures for valuing and recording inventory, Rectification of errors, Preparation of financial statements from incomplete records.

#### PRINCIPLES OF MANAGEMENT CMPP3572

NQF Level: 5 Credits: 16 Contact hours: 4 hours lecture per week for 14 weeks Module assessment: Continuous assessment 50% (Minimum of 2 tests and 1 assignment) Pre-requisite: None Module Description:

Students will also be exposed to the various functions of management which are planning, organising, leading and control. As management forms part and parcel of our daily lives, students are expected to keep abreast with the latest developments in terms of local and international media and how it impacts on businesses, looking at the social, economic, political and cultural environments. Additional topics to be covered in this module are: introduction to various forms of entrepreneurship, religion and business world and business management, various economic systems, business counselling, coaching and networking. Above all students will be introduced to the history and evolution of the theories of management.

#### INTRODUCTION TO TAXATION CATA2412

NQF Level: 4 Credits: 12 Contact hours: 3 lecture hour &1 tutorial hour per week for 14 weeks Module assessment: Continuous assessment (50%): two tests and/or one assignment Examination (50%): 1 x 3 hour paper Pre-requisites: None

## Module Description:

Introduction to the Income Tax Act No 24 of 1981, source or residence principles on which a tax system may be based: analysis of all the income of the taxpayer in order to determine what constitutes gross income, true source and deemed source, capital and revenue nature of income, specific inclusions, calculating normal tax payable, identification of exempt income, establishing the general and special deductions to calculate taxable income, determining the taxable income of individuals, fringe benefits, tax evasion and avoidance. Overview of VAT/(value added tax).

#### YEAR 2 : SEMESTER 1

BASIC MICROECONO	MICS CEMI3571
NQF Level: 5	Credits: 16 Contact hours: 4 hours lecture per week for 14 weeks
Module assessment:	Continuous assessment 50%: two tests and one assignment
	Examination 50%: 1 x 3 hour examination paper
Pre-requisites:	None
Madula Deseriations	

## Module Description:

Economics is the study of how society allocates scarce resources to satisfy the wants of its members for goods and service. As such, it is a subject concerned with issues of both efficiency and equity. An efficient economy gets the most it can from its scarce resources; an equitable economy fairly distributes the benefits of its resources among its members. Is the economy efficient? Is the economy fair? The course aims to introducing students to key concepts used in microeconomics and facilitate a basic understanding of the economic phenomena. The course is designed to help students understand that society's economic choices often involve trade-offs between efficiency and equity.

COMMERCIAL LAW A	CACL3631
NQF Level: 6	Credits: 16 Contact hours: 4 lecture hour per week for 14 weeks
Module assessment:	Continuous assessment (50%): two tests and one assignment
	Examination (50%): 1 x 3 hour paper

#### Pre-requisites: None Module Description:

The detailed contents are as follows: Introduction to the theory of law, the definition of the concept of "law", the various sources of Namibian law, customs, legislation (statute), common law etc as sources of Namibian law, direct and indirect sources of law, the various divisions of our law, the administration of justice in Namibia, the hierarchy of the Namibian courts, the general principles of natural justice the "audi alteram partem rule", the law of contract, definitions of a contract and the requirements for the conclusion of a valid contract: consensus, contractual capacity, lawfulness, possibility of performance, formality, termination of contractual relations: agreement, setoff, death, insolvency, suppressing impossibility etc, various forms of breach of contract: mora creditoris, mora debitoris, defective performance, prevention of performance, repudiation, remedies for breach of contract, specific performance as a remedy for breach of contract and other potential remedies available to an aggrieved party.

#### **BUSINESS MATHEMATICS**

NQF Level: 5

Contact Hours: 4 hours lecture per week for 14 weeks Credits: 16 Module assessment: Continuous Assessment (50%): two tests and one assignment Examination (50%): 1 x 3 hour paper) None

#### Pre-requisites: Module Description:

Number systems; operations on whole numbers, integers and fractions; powers and roots; measurements (length, mass, capacity, temperature) and mensuration (area and volume); rates and ratios; basic set theory; basic algebraic operations; linear and quadratic equations; linear inequalities; linear functions and graphs; simple and compound interest; single and regular investments; hire purchase and loans; arithmetic and geometric sequence.

CBCM3571

#### FUNDAMENTALS OF ACCOUNTING A

CAFE3581 Credits: 12 Contact hours: 3 lecture hour &1 tutorial hour per week for 14 weeks NQF Level:5 Module assessment: Continuous assessment (50%): two tests and one assignment Examination (50%): 1 x 3 hour paper Pre-requisites: None

## Module Description:

The detailed contents are as follows: Introduction to the basic principles of accounting – nature and function of accounting and accounting theory, the history and development of accounting, the statements of financial position and of comprehensive income and of changes in equity and its elements. Determining the information needs of different users, Collecting and processing accounting data, the accounting cycle, designing source documents, Journalising, posting entries from journal to the ledger, Creating subsidiary ledgers and Control accounts and Compiling a trial balance before adjustments. Determining and recording adjustments. Recording closing entries, compiling a worksheet in the closing-off procedure and compiling a postclosing trial balance. Preparing financial statements for a sole proprietor, non-profit organisations and trading and service entities. The cost concept - determination of the Cost of Goods Sold (COGS). Creating a complete accounting system that will fulfil the requirements of a specific entity.

#### YEAR 2 : SEMESTER 2

BASIC MACROECON	DMICS CEMA3572
NQF Level: 5	Credits: 16 Contact hours: 4 hours lecture per week for 14 weeks
Module assessment:	Continuous assessment 50%: two tests and one assignment
	Examination 50%: 1 x 3 hour examination paper

Pre-requisites:

#### Module Description:

None

This course introduces basic concepts and tools used in macroeconomic analysis: the theory, measurement, and determination of national income; business cycles; the multiplier; fiscal policy, budget deficits, and the national debt; aggregate supply and aggregate demand; money, banking, and monetary policy; exchange rates and balance of payments accounts; and stabilization policy for unemployment and inflation.

COMMERCIAL LAW B	CACL3632
NQF Level: 6	Credits: 16 Contact hours: 4 lecture hour per week for 14 weeks
Module assessment:	Continuous assessment (50%): two tests and one assignment
	Examination (50%): 1 x 3 hour paper
Pre-requisites:	None

## Module Description:

The detailed contents are as follows; Special contracts, deed of Sale, The essentialia for the creation of a contract of purchase and sale. Establishment of the price to the merx (things) and intentions to buy and sell. Lease agreements, obligations of the parties to a lease agreement "Huurgaatvoorkoop rule" Negotiable instruments, Definitions of a negotiable instrument and the requirement of a negotiable instrument. The parties to a negotiable instrument. Type of negotiable instrument. Credit Agreements, Hire-purchase agreements, Formation of a credit agreement. The consequences of a credit agreement. Labour Law The employment contract: definition and the parties thereto, The duties of the employer and employee after conclusion of the employment contract. Termination of the contract of employment.

FUNDAMENTALS OF ACCOUNTING B CAFE3582 NQF Level:5 Credits: 12 Contact hours: 3 lecture hour &1 tutorial hour per week for 14 weeks

#### Module assessment: Continuous assessment (50%): two tests and one assignment

Examination (50%): 1 x 3 hour paper None

#### Pre-requisites: Module Description:

The detailed contents are as follows: Introduction to the framework for the preparation and presentation of financial statements (FRW), financial position, financial performance, determining profit and preparing financial statements, accounting for current and non-current assets – cash and cash equivalents, trade and other receivables, inventory, property, plant and equipment and other non-current assets, accounting for current and non-current liabilities. Introduction to VAT (Value Added Tax). Inventory systems.

# YEAR 3 : SEMESTER 1 CABA3691 BUSINESS STATISTICS A CABA3691 NQF Level: 6 Credits: 12 Contact hours: 3 lecture hour &1tutorial hour per week for 14 weeks Module assessment: Continuous assessment (50%): two tests and/or one assignment Examination (50%): 1 x 3 hour paper Pre-requisites: Business Mathematics (CBCM3571)

#### Module Description:

The detailed contents are as follows: This course introduces the students to the fundamental of statistics. Topics include: Data and Statistics, Collection of data, Presentation of data, Frequency distributions, Scatter diagrams and Cross tabulations, Measures of central tendency, Measures of dispersion/variation, Probability theory and Probability distributions(Binomial, Poisson, Exponential and Normal).

FINANCIAL ACCOUN	TING 1A CAFE3691
NQF Level: 6	Credits: 12 Contact hours: 3 lecture hour &1 tutorial hour per week for 14 weeks
Module assessment:	Continuous assessment (50%): two tests and/or one assignment
	Examination (50%): 1 x 3 hour paper
Pre-requisites:	Fundamentals of Accounting A and B (CAFE3581 & CAFE3582)

#### Module Description:

The detailed contents are as follows: Review of business entities financial reporting: financial statements of partnerships – establishment of a partnership, financial statements, admission and/or retirement of a partner, dissolution, insolvent partner, piecemeal liquidation. Introduction to close corporations covering – formation, operation, introduction to taxation, deregistration and liquidation, accounting records and financial statements. Branches/Sector accounting, Manufacturing companies covering - cost statements, preparing the income statement. Introduction to companies – formation, operation, introduction to taxation, share and debenture transactions, accounting records and financial statements. Branches/Sector accounting, deregistration and liquidation. Conversions of various types of enterprises – partnership into a company, partnership into a close corporation, company into a close corporation and vice versa.

## MANAGEMENT ACCOUNTING 1A CAAM3691 NQF Level: 6 Credits: 12 Contact hours: 3 lecture hour &1 tutorial hour per week for 14 weeks Module assessment: Continuous assessment (50%): two tests and/or one assignment Examination (50%): 1 x 3 hour paper

Pre-requisites: None Module Description:

Introduction to Cost and Management Accounting: cost concepts and cost flows, cost behaviour and systems for recording and controlling costs, product and period costs, and prime and conversion costs: Material and labour costs: raw material costs and inventory management, inventory levels, purchasing and storage of inventory, selective inventory control techniques; Payroll accounting and methods of compensation, individual and group incentive plans, fringe benefits, learning curves and cost estimation; Accounting for overhead costs: identification and coding of overheads, collection, allocation, apportionment and absorption of overheads, cost drivers and overhead costs, production, administration and marketing overheads. Activity based costing: activity based costing defined, comparison between traditional and activity based costing systems, activities and transactions as cost drivers, strengths and weaknesses of activity based cost system. Job order costing: Contract costing: main features of contracts and types of contracts, cost calculation for contracts, methods of determining profit for incomplete contracts, contract cost accounts.

COMPUTERIZED ACCO	DUNTING SYSTEMS	CAIS3659
NQF Level: 6	Credits: 16 Contact hours: 2 lecture hour &	2 practical hours per week for 14 weeks
Module assessment:	Continuous assessment (50%): two tests an	d one assignment
	Examination (50%): 1 x 3 hour paper	
Pre-requisites:	CLC3409 and AFE3581&AFE3582	
AA - shull - Discussion Result		

Module Description:

The detailed contents are as follows: Conceptual foundation of Accounting Information Systems (AIS), Control and auditing AIS, Methodologies for the development of AIS, Systems Development Life Cycle (SDLC), Practical application of computerized accounting principles. Students will apply the AIS functions to the overall Management Information System. Set up a company from scratch, Debtors accounts, Creditors accounts, General ledger, Prepare invoices, Purchase orders, Cashbook – using cheque counterfoils, cash and cheque receipts, deposit slips, bank statements (current account), Petty cash vouchers, Petty cash register, Bank Reconciliation statement. Prepare budgets, process payroll, prepare quarterly payroll taxes and much more.

Draw - up financial statements and other financial reports. Software will be utilized to make business decisions, using of computer spread sheets and modern accounting packages as a tool in decision making.

#### PUBLIC SECTOR AND GOVERNMENT ACCOUNTING

NQF Level: 6 Credits: 16 Contact hours: 4 lecture hour & 1 tutorial hour per week for 14 weeks Module assessment: Continuous assessment (50%): two tests and/or one assignment Examination (50%): 1 x 3 hour paper Pre-requisites: AFA2411 & AFA2412

## Module Description:

The primary objective is module is to introduce student to specific features of public sector and government accounting. The contents include International public sector accounting standards on presentation of financial statements, cash and fund accounting, the nature of government accounting, government accounting practices, government accounting distinguished from general commercial accounting, government records for accounting and control, financial statements, statement of various government funds, Accounting provisions as prescribed in the constitution and the State Finance Act. Treasury instructions, audit requirements, accounting for general capital assets and capital projects, accounting for general long-term liabilities and debt service, accounting for government's business type activities, accounting for agency and trust funds, preparation, analysis and interpretation of a comprehensive annual financial report, issues in government financial reporting and performance measurement.

CAPG2631

YEAR 3 : SEMESTER 2	
<b>BUSINESS STATISTICS B</b>	CABA3692
NQF Level: 6	Credits: 12 Contact hours: 3 lecture hour & 1 tutorial hour per week for 14 weeks
Module assessment:	Continuous assessment (50%): two tests and/or one assignment
	Examination (50%): 1 x 3 hour paper
Pre-requisites:	Business Mathematics (CBCM3571); Co-requisite: Business Statistics A (CABA3691)
Module Description	

#### The detailed contents are as follows: This course introduces the students to the fundamental of statistics. Topics include: Sampling and Sampling distributions, Interval Estimation, Hypothesis Testing (mean and proportion), Inferences about population variances, Tests of goodness of fit and independence, Simple linear regression and index numbers.

FINANCIAL ACCOUN	TING 1B CAFE3692
NQF Level: 6	Credits: 12 Contact hours: 3 lecture hour &1 tutorial hour per week for 14 weeks
Module assessment:	Continuous assessment (50%): two tests and/or one assignment
	Examination (50%): 1 x 3 hour paper
Pre-requisites:	Fundamentals of Accounting A and B (CAFE3581 & CAFE3582)
Module Description:	

The detailed contents are as follows: The framework for the preparation and presentation of financial statements (FRW) – underlying assumptions, definitions of assets, liabilities, equity, income, expenses, recognition of the elements of financial statements, preparation and presentation of financial statements (specific reference to auditors', directors' and other reports), Introduction to the Statement of cash flow), analysis and interpretation of financial statements.

#### MANAGEMENT ACCOUNTING 1B CAAM3692

NQF Level: 6	Credits: 12 Contact hours: 3 lecture hour &1 tutorial hour per week for 14 weeks
Module assessment:	Continuous assessment (50%): two tests and/or one assignment
	Examination (50%): 1 x 3 hour paper
Pre-requisites:	None

Pre-requisites:

#### Module Description:

The detailed contents are as follows: Process Costing I: preparing cost of production reports, valuation of WIP and ending inventory, FIFO and average cost methods, equivalent production, normal and abnormal wastage, abnormal gain, Process Costing II: costing for joint and by products, short term decisions for joint products, spoilage, reworked units and scrap. Absorption and variable costing: introduction to variable and absorption cost models, difference between variable and absorption costing methods, variable costing and cost behaviour, calculating profit under variable and absorption costing methods, reconciliation of profits under variable and absorption costing methods. Standard costing: development and utilization of unit standard costs and variance analysis, material, labour, overhead and sales variances, reconciling budgeted, standard and actual profits. Budgeting and profit planning: budgeting and budgetary control, fixed vs. flexible budgets, master budget, and other functional budgets, budgets and performance evaluation, Cash budget and contemporary issues in budgeting: budgeting cash receipts and payments, investing idle cash or financing cash shortages, budgeting and human factor, budgetary slack and padding the budgets, participative budgets, zero base budgeting, Responsibility accounting and segment reporting: Responsibility accounting and responsibility centres, Decentralization: degree, advantages and disadvantages, methods of evaluating segment performance.

#### PUBLIC FINANCIAL MANAGEMENT

#### **CAPF2632**

Credits: 16 Contact hours: 4 lecture hour &1 tutorial hour per week for 14 weeks NQF Level: 6 Module assessment: Continuous assessment (50%): two tests and/or one assignment Examination (50%): 1 x 3 hour paper AFA2411 & AFA2412

## Pre-requisites:

#### Module Description:

The detailed contents are as follows: Scope and principles of public finance, public expenditure, source of public revenue, characteristics of a good tax system, principles of taxation, taxable capacity, kinds of taxation, effects of taxation, the theory of social and public goods, shifting and incidence of taxes, fiscal policy and economic stability, development finance, theory of public debt management, deficit financing. Public financial management, financial decision making in public sector, budgets, medium term expenditure framework and investments appraisal techniques.

#### C.4 BACHELOR OF ACCOUNTING – (CHARTERED ACCOUNTANCY) (12BCHA) REVISED

#### C.4.1 INTRODUCTION

one year for undergraduate degree and another one year at CTA level.

The Bachelor of Accounting (Chartered Accountancy) is a single major programme, which seeks to provide an academic foundation for students intending to pursue a career in accounting and related fields.

The degree provides technical and theoretical skills and knowledge, which will give the successful candidate a sound foundation for his/her chosen career. The development of transferable skills and competence is embodied in the modules within the degree structure and those successfully completing the program should possess effective communication, intellectual and interpersonal skills.

#### C.4.2 PURPOSE OF THE QUALIFICATION

The purpose of this qualification is to provide students with necessary accounting knowledge and skills that allows them to pursue a Certificate in Theory of Accounting (CTA) program required for a career in Chartered Accountancy. This program has been developed in response to the needs of industry to shorten the study period for Chartered Accountancy. Currently UNAM students have to study for 4 years for first degree followed by another 2 years for CTA. The total 6 years of study is not competitive with programs offered by South African Universities as a student can do a first degree in 3 years and CTA in one year at SA Universities. Thus, accounting firms prefer to send sponsored students to South African Universities to save two years. It also results in brain drain as many students after studying in South Africa stay there for employment. This qualification will save

The programme was developed in conjunction with North West University (NWU) and it enables the students to get into the CTA program at NWU without doing a bridging course. The curriculum of this program has been developed in consultation with various stakeholders including the Institute of Chartered Accountants of Namibia and South African universities

#### Implementation strategy

The revised programme will be implemented for all first and second years in 2018. Students currently in the second year of study will continue with the old programme. The old programme will run concurrently with the new programme in 2018 to cater for students who still have courses pending on the old programme. As from 2019, any student who failed a module under the old programme will have to do the new equivalent according to the table below:

#### C.4.3 ADMISSION REQUIREMENTS

- To register for the Bachelor of Accounting (Chartered Accountancy), a candidate must hold a valid Namibia Senior Secondary Certificate (NSSC) or any other equivalent qualification. English is a compulsory subject and a candidate should have obtained grade C at NSSC (English as a Second Language) or grade D at NSSC (English First Language) level and at least a B in NSSC (Ordinary level) Mathematics. Preference will be given to those with accountancy at school level.
- A candidate should have a minimum of 30 points in five subjects on the UNAM Evaluation Scale.
- Entrance will be limited to availability of places and awarded on merit. Meeting minimum requirements does not guarantee admission.
- The department reserves the right to interview students before admission.
- Admission could also be considered for foreign students and those with post qualification (first degree).

#### If a candidate only obtains the equivalent of a C in NSSC (Core level) Mathematics; then a B in NSSC (Ordinary level) Accountancy at school level must be obtained and a minimum of 32 points in five subjects on the UNAM Evaluation Scale.

#### C.4.4 EXAMINATION REGULATIONS

For detailed examination, promotion and re-examination rules, consult the General Information and Regulations Prospectus. A candidate will be admitted to the examination in a module if he/she has obtained the required continuous assessment mark of 40%. Examinations are administered at the end of each semester for semester modules and at the end of year for double modules.

A candidate passes a module if a final mark of 50% is obtained. The final mark consists of continuous assessment and examination mark in the ratio of 50:50 respectively unless otherwise indicated in the respective module descriptor. A sub minimum of 40% must be obtained in each component.

## C.4.5 ACADEMIC ADVANCEMENT RULES

## (a) Admission into next year of study

A student advances to the following year if at least 2/3 of the credits (modules) of the previous year have been passed. If a student passed less than 2/3 of the curriculum, he/she may not register for any modules of the following year. Prerequisites for modules that require them should be passed first before registering for such modules.

- (b) Minimum requirements for re-admission into the Program
- A student will not be re-admitted into the program if he/she has not passed at least: The equivalent to 104 credits by the end of the **First year** including at least 1 out of 2 financial accounting
  - modules.
  - > The equivalent to 212 credits at the end of the **Second year** including all first year accounting modules and the second year financial accounting module.
  - > The equivalent to 312 credits at the end of the Third year

Students who are not re admitted into Bachelor of Accounting (Chartered Accountancy) may apply for transfer into the current Bachelor of Accounting (Honours) or other programs offered by the School and would be considered for admission on a case by case basis if they meet the following requirements for re admission into the School.

#### (c) Minimum requirements for re-admission into the School

A student will not be re-admitted into the School if he/she has not passed at least:

- the equivalent to 56 credits by the end of the First year;
  - the equivalent to 152 credits at the end of the Second year
    - the equivalent to 224 credits at the end of the **Third year** 
      - C.4.6 REQUIREMENTS FOR QUALIFICATION AWARD

This qualification will be awarded to candidates who have passed all the modules with a total number of credits of 412.

## C.4.7 LECTURES AND TUTORIALS

The attendance of lectures and tutorials is compulsory and no exemption will be given to a student because of employment. Students must attend a minimum of 80% of lectures and tutorials to be eligible for entry into examination.

#### C.4.8 QUALITY ASSURANCE ARRANGEMENTS

It is proposed to externally moderate all the question papers of core modules offered during first, second and third years. To keep the content updated and commensurate with market needs the curriculum will be reviewed every 5 years in consultation with relevant stakeholders.

## C.4.9 STAKEHOLDERS SUPPORT OF THE PROGRAM

The department has had discussions with the industry and the Institute of Chartered Accountants of Namibia and it was apparent from those discussions that the number of Chartered Accountants in the country is very low compared to the demand. Former students have also indicated the challenges they face when they leave UNAM for South African universities and have indicated the need for UNAM to implement this programme.

#### **Career Opportunities**

The following career possibilities are available for students completing this programme:

- Students will be allowed to do a Certificate in Theory of Accounting (CTA) that is required for a career in Chartered Accountancy.
  - Students can become Accountants or Internal Auditors in the private or public sector.
- Students can pursue careers as Chartered Management Accountants (CIMA) or Chartered Certified Accountants (ACCA).

#### C.4.10 ARTICULATION

Students may be considered for transfer from current Bachelor of Accounting (Honours) to Bachelor of Accounting (Chartered Accountancy), if they have obtained an average of 70% including a minimum of 70% in accounting modules at first and second year of Bachelor of Accounting (Honours).

- Having completed year 1 of current Bachelor of Accounting (Honours) students will be eligible for admission into year 1 of Bachelor of Accounting (Chartered Accountancy).
- Similarly after completing year 2 of current Bachelor of Accounting (Honours) students will be eligible for admission into year 2 of Bachelor of Accounting (Chartered Accountancy). Students may be required to register for additional modules at 1<sup>st</sup> year level.
- No transfer into 3<sup>rd</sup> year of Bachelor of Accounting (Chartered Accountancy) is allowed from other programs.

Students will also be allowed to transfer from Bachelor of Accounting (Chartered Accountancy) to the current 4 year Bachelor of Accounting (Honours) program and will be exempted for the modules already passed on the same level. Students may be required to add additional modules.

#### C.4.11 **EXEMPTION RULES**

Students who have already passed an equivalent module will be considered for exemption on a case by case basis provided the module passed is not older than 5 years.

#### **DURATION OF STUDY** C.4.12

The duration of the programme extends over three years of full-time study. The maximum duration is 5 years. The School has the right to amend the curriculum for academic and professional reasons any time during the period of study.

#### Mode of Delivery

Full time face to face study at Windhoek Main campus.

#### C.4.13 PRE-REQUISITES

A student can only continue with a module on second or third year provided the relevant prerequisites are met. The prerequisites for various modules are listed below:

Code	Module Name	Prerequisite / Co requisite			
	Year 2	Code	Module Name		
CACP3612	Company Law and Practice	CAML3611	Mercantile Laws (Co requisite)		
CAFI3610	Financial Accounting 2	CAFI3591 / CAFI 3592	Financial Accounting 1 A / Financial Accounting 1B /		
CAUD 3691	Auditing 1A	CAFI3591 / CAFI 3592	Financial Accounting 1 A / Financial Accounting 1B /		
CAUD 3692	Auditing 1B	CAFI3591 / CAFI 3592	Financial Accounting 1 A / Financial Accounting 1B /		
	Year 3				
CACT3710	Comparative taxation	CANT3691	Namibian Taxation		
CAUD3710	Auditing 2	CAUD3691 and CAUD 3692	Auditing 1A and Auditing 1B		
CAFI3710	Financial Accounting 3	CAFI3610*	Financial Accounting 2		
CAMA3711	Management Accounting 2	CAMA3691 and CAMA 3692	Management Accounting 1A and Management Accounting 1B		
CAIS3652	Computerized Accounting Systems	UCLC3509	Computer Literacy		
CAMF3712	Managerial Finance	CAFI3591, CAFI 3592 and CAMA 3511	Financial Accounting 1 A , Financial Accounting 1B, and Mathematics for Accountants		

#### CURRICULUM

C.4.14

•

The curriculum for the Bachelor of Accounting (Chartered Accountancy) consists of 30 modules, which are offered as follows: 11 equivalent modules (equivalent to 140 credits) on the first-year level

- 11 equivalent modules (equivalent to 144 credits) on the second-year level
- 8 equivalent modules (equivalent to 128 credits) on the third-year level
- Year 1 136 credits
- Year 2–156 credits
- Year 3 168 credits

A student may not exceed a maximum of twelve modules (equivalent to 192 credits) as from the second academic year onwards. Courses that are repeated are included in the allowable maximum of twelve modules.

Course code	Course name	NQF Level	Credits	Compulsory	(Co-requisite) / Pre-requisite

#### YEAR 1

#### ECONOMICS

#### CAMA3592

Credits: 12 Contact hours: 3h lectures per week for 1 semester NQF Level: 5 Module Assessment: Continuous assessment (50%): two tests and one assignment

A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%. None

#### Pre-requisites:

#### Module Description:

This course aims to introduce basic concepts and tools used in microeconomics and macroeconomic analysis. The theory, measurement, and determination of national income; business cycles; the multiplier; fiscal policy, budget deficits, and national debt; aggregate supply and aggregate demand; money, banking, and monetary policy; exchange rates and balance of payment accounts; stabilisation policy for unemployment, inflation; demand and supply, market structures, Factor markets and introduction to international trade.

#### MATHEMATICS FOR ACCOUNTANTS CAMA3591

NQF Level: 5 Credits: 12 Contact hours: 3h lectures per week for 1 semester Module Assessment: Continuous assessment (50%): two tests and one assignment A continuous assessment mark of 40% allows a student admission to the final examination. Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%. None

## Pre-requisites:

## Module Description:

This module is designed to give students an understanding of various mathematical calculations to solve business related problems. Introduction to differential and integral calculus; number systems, rates, ratios, percentages, indices, equations and inequalities; introduction to matrix algebra; (addition, subtraction and multiplication); Time value of money and its applications in financial decisions.

#### FINANCIAL ACCOUNTING 1A CAFI3511

NQF Level: 5 Credits: 16 Contact hours: 4h lectures per week for 1 semester & 1 tutorial per week Module Assessment: Continuous assessment (50%): two tests and one assignment A continuous assessment mark of 40% allows a student admission to the final examination. Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%.

Pre-requisites: None

#### Module Description:

The objective of the module is to provide basic knowledge of accounting information system and equip the students with capability of processing financial transactions in books of accounts and develop financial statements of sole trader, non-profit entity, partnership and close corporation. Conceptual Framework; Accounting cycle, Accounting equation, adjustments, Value-Added Tax, cash and bank, Debtors & credit losses & settlement discounts, creditors, inventory and insurance, Correction of errors, Adjustments, Closing entries, Trial Balance, Financial Statements, Manufacturing, Property, plant and equipment, Financial Assets / Investments, Financial Liabilities (Ioan, amortisation) and Incomplete records.

#### **MERCANTILE LAW** CAML3591

NQF Level:5 Credits: 12 Contact hours: 3h lectures per week for 1 semester

Module Assessment: Continuous assessment (50%): two tests and one assignment

A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper The examination subminimum requirement is 40%.

Pre-requisites: None

Module Description:

The module is designed to give thorough understanding of the contracts and commercial laws.

#### Part 1:

The theory of law and the definition of "law". The various sources of Namibian law & divisions of our law. The hierarchy of the Namibian courts, the general principles of natural justice the "audi alteram partem rule", The administration of justice in Namibia. TYPES OF CONTRACTS: Contract of Sale, The essentialia for the creation of a contract of purchase and sale; Contract of lease; Essentalia of a lease; "Huurgaatvoorkoop rule", Contract of Employment; Various forms of breach of contract and remedies for breach of contract. Termination of Contracts.

#### Part 2:

Introduction to Insurance Law; Introduction to Credit Agreements; Hire-purchase agreements, Introduction to Negotiable instruments; Applicability of Negotiable Instruments; Introduction to the Law of agency; Introduction to Trusts; Introduction to the Law of competition, Introduction to the Law of Franchising, Introduction to Alternative dispute resolution (ADR) and Forms of business enterprises.

#### **BUSINESS STATISTICS** CABS3592

NQF Level: 5 Credits: 12 Contact hours: 3h lectures per week for 1 semester

Module Assessment: Continuous assessment (50%): two tests and one assignment

A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%. None

Pre-requisites:

#### Module Description:

This course introduces the students to the fundamentals of statistics. Data and Statistics, Presentation of data (Tabular and Graphical method; Numerical Method); Measure of central tendency and variance, correlation, regression and index numbers. Introduction to Probability distributions (Binomial, Poisson, Exponential and Normal); Sampling and Sampling distributions; Statistical inference: (Confidence interval Estimation, Hypothesis Testing (mean and proportion), Inference about population variance).

#### FINANCIAL ACCOUNTING 1B CAFI3512

NQF Level: 5 Credits: 16 Contact hours: 4h lectures per week for one semester & 1 tutorial per week Module Assessment: Continuous assessment (50%): one semester test, two class tests, quizzes and a practical/presentation. A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%. None

Pre-requisites:

#### Module Description:

This module is an introduction to companies – formation, share and debenture transactions and enables students to identify and evaluate elements of financial statements and to communicate financial information reliably, accurately and coherently when preparing a set of financial statements. Property, plant and equipment, Presentation of financial statements (IAS 1). Companies: Introduction, formation, shares, revaluation reserve, Companies: dividends, company tax, shares, reserves, statement of changes in equity, Cash flow statements, Partnerships: Legal aspects and accounting treatment, recording transactions, financials, Partnerships: Exit of partners and entry exit transactions, Partnerships: Complete dissolutions, Non-profit Organizations, special funds, membership fees and Close corporations.

#### COMPANY LAW AND PRACTICE CACP3612

Contact hours: 4h lectures per week for 1 semester NQF Level: 6 Credits: 16

Module Assessment: Continuous assessment (50%): two tests and one assignment

A continuous assessment mark of 40% allows a student admission to the final examination.

#### Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%.

Pre-requisites: Mercantile Law (CAML3591)

Module Description:

The module is designed to give the students thorough understanding of company law and practice and focuses on Namibian Companies Act, Act 28 of 2004.& Close Corporation Act, Act 26 of 1988. The module is designed to give the student's thorough understanding of company law and practice.

Acquisition of legal personality, types of companies, inception of a company & close corporation and their constitutive documents, (memorandum of association and articles of association); members and the register of the company. The share capital of a company, various classes, types of shares, voting rights attached to shares, variation of share capital. Companies and Close Corporations, Co-operative societies, Estates and Trusts: tax exemptions, unit trusts and tax avoidance. Farming: livestock and produce and deductions. Namibian Valued-Added-Tax: registration, output VAT, input VAT, imports, exports and zero-rating, exempt supplies and VAT returns. AUDITING 1

## CAUD3690

NQF Level: 6 Credits: 24 Contact hours: 3h lectures per week for 2 semesters & 1 tutorial per week Module Assessment: Continuous assessment (50%): two semester tests, four class tests, quizzes, a year test and a

## presentation/practical.

A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%.

The examination and continuous assessment in this module will be conducted, jointly with the affiliate institution, North West University, South Africa.

#### Pre-requisites:

Financial Accounting 1A, 1B (CAFI3511/CAFI3512)

#### Module Description:

This course introduces students to applied ISAs, Corporate Governance, Internal Controls & professional Ethics. Responsibilities, functions and qualities of the auditor, Code of conduct, The audit process, Introduction to audit planning and knowledge of the business, Knowledge of the accounting systems and controls and audit risk, Identification of the risk of material misstatement, Going concern and fraud, Calculation of materiality, Audit strategy and overall audit plan, Audit evidence and Audit documentation, Control tests, Substantive procedures, Substantive analytical procedures, Audit sampling, Completion of the audit. Controls – revenue & receipts cycle, acquisition & payments cycle, inventory and production cycle, payroll & personnel cycle, finance & investment cycle, audit procedures - revenue & receipt cycle, acquisition & payment cycle, inventory & production cycle, payroll & personnel cycle, finance & investment cycle.

#### CAFI3610 **FINANCIAL ACCOUNTING 2**

NQF Level: 6 Credits: 32 **Contact hours:** 4h lectures per week for 2 semesters & 1 tutorial per week Module Assessment: Continuous assessment (50%): two semester tests, four class tests, guizzes, a year test and a presentation/practical.

A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%.

The examination and continuous assessment in this module will be conducted, jointly with the affiliate institution, North West University, South Africa.

Pre-requisites:

Financial Accounting 1A, 1B (CAFI3511/CAFI3512)

## Module Description:

The purpose of this module is to introduce the students to interpretative aspects of financial accounting and to explain recognition, measurement and disclosure of various items in the annual financial statements in accordance with IFRS (International Financial Reporting Standards). Framework and IAS1; and Standard setting process, Inventory, Borrowing Costs, PPE Basics - Cost & Revaluation model (with tax, but excl CGT), Impairment - of individual assets (including tax but excluding CGT), Investment Property, Intangibles, Leases, Employee Benefits. Deferred taxation, Statement of cash flows, Group Statements, Accounting policies, provisions and estimates, earnings per share, income recognition.

**MANAGERIAL FINANCE 1** 

CAMF3660

## NQF Level: Credits: 16 Contact hours: 2h lectures per week for 2 semesters & 1 tutorial per week Module Assessment: Continuous assessment (50%): two tests and one assignment

A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%.

Pre-requisites: Financial Accounting 1A, 1B (CAFI3511/CAFI3512) & CAMA 3591 (Mathematics for accountants) Module Description:

This course introduces the student to the role of the finance function of a firm.

Overview of financial management and introduction to strategic management: role and underlying concepts of Financial Management; Time value of money: role of time value of money and compounded interest in the finance; Risk management: risk, risk management and the philosophy of risk management; Risk & return and the management of financial risks: the relationship between risk and return; Financial statement analysis and interpretation: the objectives of financial statements and ratio analysis; Working capital, credit policy and current assets: the terms working capital, working capital policy and working capital management.

Financing sources: Different types of financial markets; Capital structure: leverage (gearing) increases returns to stakeholders; Cost of capital: the principles and uses of cost of capital; Capital investment decisions: the concept and use of the weightedaverage cost of capital (WACC); Dividend decisions: the various dividend payment policies.

#### MANAGEMENT ACCOUNTING 1 CAMA3660

NQF Level: 6 Credits: 16 Contact hours: 2h lectures per week for 2 semesters & 1 tutorial per week Module Assessment: Continuous assessment (50%): two semester tests, four class tests, quizzes, a year test and a presentation/practical.

A continuous assessment mark of 40% allows a student admission to the final examination.

None

Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%.

The examination and continuous assessment in this module will be conducted, jointly with the affiliate institution, North West

University, South Africa.

Pre-requisites:

#### Module Description:

This course aims to introduce students to the concepts, techniques and application of cost and management accounting with major focus on cost systems design and cost accumulation. Introduction to Cost and Management Accounting: cost concepts and cost flows, cost behaviour and systems for recording and controlling costs, product and period costs, and prime and conversion costs. Material and labour costs: raw material costs and inventory management, inventory levels, purchasing and storage of inventory, selective inventory control techniques, payroll accounting and methods of compensation, individual and group incentive plans, fringe benefits and cost estimation. Job order costing: Materials recording procedures, pricing issues of material, control accounts, accounting for labour costs and Manufacturing overheads. Costs, reporting and income statements, Schedule of costs of goods manufactured and costs of goods sold. Cost-Volume- Profit analysis for single and multiple products including single limiting factors. Relevant costing: distinguish between relevant and irrelevant costs and revenues for decision making. Restricting factors and linear programming; identify situations where it is appropriate to use linear programming, use linear programming to find optimum levels of output. Joint costing: distinguish between joints costs and by products, allocate joints costs to products. Budgeted income statement: Standard costing and basic variance analysis: development and utilization of unit standard costs and variance analysis, material, labour, overhead and sales variances, reconciling budgeted, standard and actual profits.

CATT3692

NQF Level:6Credits:12Contact hours:3h lectures per week for one semester & 1 tutorial per weekModule Assessment:Continuous assessment (50%): one semester test, two class tests, quizzes and a presentation/practical. Acontinuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%.

The examination and Continuous assessment in this module will be conducted, jointly with the affiliate institution, North West University, South Africa.

Pre-requisites: Taxation 1A (CANT3681)

#### Module Description:

TAXATION 1B

This module aims to equip students with a basic understanding and practical application of South African income tax. The content is based on the South African Tax legislation and its case law.

Theory principles and calculations on gross income, this will include the separate specific inclusions, residence and source bases and a comparison between capital and income in nature. Theory principles and calculations on amounts exempt from income tax. The general deduction formula, which will also include special deductions and prohibited deductions. Capital allowances and recoupments, capital gains tax, individuals' income tax principles. An introduction to South African VAT Act principles and basic VAT calculations showing the input and output VAT separately.

## STRATEGY, RISK MANAGEMENT AND ETHICS

CASE3791

NQF Level:7Credits:12Contact hours:3h lectures per week for 1 semesterModule Assessment:Continuous assessment (50%): two tests and one assignment

#### A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%.

#### Pre-requisites:

#### Module Description:

The objective of the module is to equip the students with the knowledge and practice of designing strategy, risk management, professional ethic and corporate governance. New trends in ethical financial reporting and corporate governance and King III report, introduction to business ethics and ethical value systems for accountants, methods and case studies in ethical decision making related to accounting, tax and auditing matters, managing ethical dilemmas, introduction to virtue ethics, rule morality and utilitarianism, formulation, implementation, evaluation and control of the strategy and strategy planning processes, identification of stakeholders in the business environment, conduct environmental scanning for internal and external influences, introduce analytical and assessing risk models on strategies, definition of risk, approaches and principle categories of risk, risk types, identification tools and methodologies, implementation of integrated risk management system.

#### ACCOUNTING INFORMATION SYSTEMS CAI\$3652

None

Contact hours: 4h integrated learning per week NQF Level: 6 Credits: 16 Module Assessment: Continuous assessment (50%): two tests on the theory aspect

A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (which consists of a practical) (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%. UCLC3509 Computer Literacy

#### Pre-requisites:

Module Description:

The aim of this module is to introduce students to accounting information system (AIS) functions and their applications. Conceptual foundation of Accounting Information Systems (AIS), control and auditing AIS, Methodologies for the development of AIS, Systems Development Life Cycle (SDLC), Practical application of computerized accounting principles. Application of AIS functions to the overall Management Information System. Set up a company, Debtors accounts, Creditors Accounts, General ledger, Prepare invoices, Purchase orders, Cashbooks – using cheque counterfoils, cash and cheque receipts, deposit slips, bank statements (current account), Petty cash vouchers, Petty cash register, Bank Reconciliation statement. Prepare budgets, process payroll, prepare quarterly payroll taxes. Draw up financial statements and other financial reports. Using software to make decisions as well as spreadsheets and modern accounting packages. Advanced Microsoft excel, Internet and research.

#### YEAR 3 TAXATION 2

CACT3730

NQF Level: 7 Credits: 32 Contact hours: 4h lectures per week for 2 semesters & 1 tutorial per week Module Assessment: Continuous assessment (50%): one semester test, two class tests, guizzes and a presentation/practical. A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%.

The examination and Continuous assessment in this module will be conducted, jointly with the affiliate institution, North West University, South Africa.

#### Pre-requisites:

Taxation 1A and 1B (CANT3681/CATT3692)

#### Module Description:

This module aims to equip students with a basic understanding and practical application of South African tax. Taxation principles for Value-Added-Taxation (VAT) -separate application of input and output VAT principles, definitions, standard rate supplies, deemed supplies, exempt supplies and zero rated supplies. Gross income - special inclusions, exempt income, general deductions, special deductions and prohibited deductions. Assessed losses & provisional tax on companies. Capital allowances on movable and immovable assets and related recoupments on asset disposals. Trading stock: opening stock, purchases of stock and closing stock, and recoupments of trading stock used for purposes other than trading. Capital gains tax (CGT) and the integration between CGT and VAT. Connected persons, foreign exchange, interest bearing instruments, Dividends tax. Taxation principles for individuals - income, specific inclusions, specific exclusions, deductions Tax administration: the administration process, Trusts, Tax avoidance, capital gains tax, farming, Turnover tax system, Customs & Excise duty and Tax risk management: analysing financial statement to identify tax risks, turnover tax, types of customs duty, types of excise duty. AUDITING 2

#### CAUD3710

Credits: 32 NQF Level: 7 Contact hours: 3h lectures per week for 2 semesters & 1 tutorial per week Module Assessment: Continuous assessment (50%); one semester test, two class tests, auizzes and a presentation/practical. A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%.

The examination and Continuous assessment in this module will be conducted, jointly with the affiliate institution, North West University, South Africa.

#### Pre-requisites:

Auditing 1 (CAUD3690)

#### Module Description:

This course introduces students to the audit process, Auditing Profession Act, and company law applications. Overview of audit process, Engagement activities, Understand the entity, it's environment and controls, Business risks, significant risks, audit risk and other concepts, Risk of material misstatement on financial statement level, Materiality, Audit strategy/Audit approach, Risk of material misstatement on assertion level - Income/Sales, Debtors and inventory, Audit plan/Audit approach, Tests of controls and substantive tests, controls - sales & purchases, Test of controls - sales/purchases, Substantive procedures - Debtors, Substantive procedures - Creditors, Substantive procedures - Inventory, Introduction to Information Technology (IT), Characteristics and

considerations in IT environment, Different IT systems, General controls, Application controls, Influence of IT on audit, CAAT'S, Risks in IT environment, CAAT's – Debtors & inventory. Introduction & the nature of a company, transparency, accountability and integrity of companies, Capitalisation of profit companies, Governance of companies, The Secretary & Auditor & APA Act, Remedies & schedules, Going concern, Subsequent Events, Audit reports, King Code, Code of Professional Conduct.

#### FINANCIAL ACCOUNTING 3 CAFI3710

NQF Level: 7 Credits: 32 Contact hours: 4h lectures per week for 2 semesters & 1 tutorial per week Module Assessment: Continuous assessment (50%): four class tests, two semester tests, quizzes, a year test and a presentation/practical.

A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 4 hour paper

The examination subminimum requirement is 40%.

The examination and continuous assessment in this module will be conducted, jointly with the affiliate institution, North West University, South Africa.

#### Pre-requisites:

Financial Accounting 2 (CAFI 3610)

#### Module Description:

The objective of the module is to develop understanding and capability to record complex transactions in books of accounts and deals with more advanced aspects of financial accounting and issues currently confronting accounting professionals. Income tax, Financial instruments, Group statements – sundry aspects, Group statements – preference shares, Group statements – complex groups, Group statements-business combinations, Group statements – interim acquisitions, Group statements – Associates, Group statements – Joint arrangements, Group statements – changes in ownership, Property, plant and equipment, Intangible assets, Investment property, Impairment of assets, Non-current assets held for sale, leases, Forex and hedging, Changes in estimates, policies and errors, Earnings per share and Revenue from contracts with customers.

#### MANAGERIAL FINANCE 2 CAMF3760

NQF Level: 7 Credits: 16 Contact hours: 2h lectures per week for 2 semesters & 1 tutorial per week Module Assessment: Continuous assessment (50%): four class tests, two semester tests, quizzes, a year test and a presentation/practical.

A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper, The examination subminimum requirement is 40%.

The examination and continuous assessment in this module will be conducted, jointly with the affiliate institution, North West University, South Africa.

#### Pre-requisites:

Managerial Finance 1 (CAMF3660)

#### Module Description:

This course integrates knowledge and critical understanding of key terms, theories and principles in Financial Management. Analysis and interpretation, Time value of money (TVM)- Repeat calculations, Clearly link TVM to the valuation of components of capital structure and other areas of application such as business valuations and capital budgeting, Valuations- Basic principles of valuation models: Free cash flow, Earnings multiples – limited to PE multiple-(CAs calculate maintainable earnings and PE ratio Stick to PE valuation),Dividend growth model, Able to adjust Ke or multiple for risk, Cost of capital- Pooling of funds principle, Valuation of components of the capital structure, Calculating WACC, More complex scenarios.

Capital budgeting - More complex capital investment decisions including, Taxation, Inflation, Different project lives, Also focus on other factors that need to be taken into account (strategy), Business risks, , Leasing- Clear understanding of the difference (and keeping apart) between investment and finance decisions, Simple lease vs buy decisions, Integration with investment decisions for the CA stream, Working capital-Working capital cycle, Debtors, Cash Financing.

#### Management Accounting 2 CAMA3780

NQF Level:7 Credits: 24 Contact hours: 3h lectures per week for 2 semesters & 1 tutorial per week Module Assessment: Continuous assessment (50%): four class tests, two semester tests, quizzes, a year test and a presentation/practical.

A continuous assessment mark of 40% allows a student admission to the final examination.

Examination (50%): 1 x 3 hour paper

The examination subminimum requirement is 40%.

The examination and continuous assessment in this module will be conducted, jointly with the affiliate institution, North West University, South Africa.

Pre-requisites: Management Accounting1 (CAMA3660)

#### Module Description:

This course integrates knowledge and understanding of key terms, theories and principles in the field of Management Accounting. Equivalent units – accounting for material and conversion costs, Master budget and Cash budget – comparing the original plan with what actuals and identifying problem areas, Learning curves, Forecasting – short to medium term plans and monitoring of variances, Standard costing - mix and yield, fixed overhead detail, Performance management – measuring and evaluating performance, long term returns on investments, Divisional performance – divisional controllable profit, net profit, return on investment, cost centres, profit centres and investment centres.

Relevant costing – Outsourcing, make or buy decisions and special orders Risk and uncertainty – risk aversion/indifference/taker, measuring risk and financial analysis, Transfer pricing- market price, cost price (direct, full absorption cost, standard cost, full cost & profit margin, direct cost and opportunity cost, Pricing decisions, Inventory costing – process costing, ABC and costing decision making (CVP).

#### C.5 BACHELOR OF ACCOUNTING (Honours)

(12BACC)

#### C.5.1 INTRODUCTION AND OBJECTIVES OF THE PROGRAMME

The Bachelor of Accounting (Honours) program equips students with the necessary accounting knowledge and skills that allows them to pursue their career in accounting, auditing, finance, taxation, banking, and other related areas. The Bachelor of Accounting (Honours) is a single major programme, which seeks to provide an academic foundation for students intending to pursue a career in the accounting profession or financial service sector. This program is an academic honours and does not entitle holders of this qualification to write board exams to become a chartered accountant. Having completed this program students may decide to work or study for Masters degrees offered by University of Namibia or other institutions.

#### C.5.2 CRITERIA FOR ADMISSION

- To register for the Bachelor of Accounting (Honours), a student must hold a valid Namibia Senior Secondary Certificate (NSSC) or any equivalent qualification. English is a compulsory subject and students should obtain at least at grade C (English as Second Language) or grade D (English First Language).
- A student should obtain a minimum of 25 points in five subjects on the UNAM Evaluation Scale to be admitted with at least a C in NSSC (Ordinary level) Mathematics. However, a minimum of 25 points in five subjects does not necessarily ensure and/or guarantee admission.
- The School reserves the right to interview students before admission.
- Admission is also considered for persons who qualify through the Mature Age Entry Scheme upon successful completion of the relevant examinations as set out in the General Information and Regulations Prospectus.

This should be read in conjunction with the General Information and Regulations Prospectus.

## C.5.3 ARTICULATION OPTIONS

Current students of the Bachelor of Accounting (Honours) may be considered for transfer to the Bachelor of Accounting (Chartered Accountancy), if they obtain an average of 70% including a minimum of 70% in accounting modules in the first and second year subject to availability of places.

- Students will be eligible for admission into year 1 of the Bachelor of Accounting (Chartered Accountancy) after completing year 1.
- Students will be eligible for admission into year 2 of the Bachelor of Accounting (Chartered Accountancy) after completing year 2.
- Transfer into year 3 of the Bachelor of Accounting (Chartered Accountancy) will not be allowed.
   Students of the Bachelor of Accounting (Chartered Accountancy) will be allowed to transfer to the
- Bachelor of Accounting (Honours) and will be exempted for the modules already passed on a case by case basis.
   This qualification serves as an entry point to the Master of Science in Accounting and Finance and Post
- Graduate Diploma in Internal Auditing offered by the department and other programs such as MBA offered by Business School This qualification also provides 7 exemptions for CIMA qualification. Holders of this qualification who want to become Chartered Accountants may register for CTA program offered by accredited universities and may be required to do the bridging year before qualifying for CTA programme.

#### C.5.4 ASSESSMENT CRITERIA

A student will be admitted to the examination in a module if he/she has obtained the required continuous assessment mark of 40%. A candidate passes a module if a final mark of 50% is obtained. The final mark for the core modules offered by the School of Accounting consists of continuous assessment and examination mark in the ratio of 50:50. A sub minimum of 40% must be obtained in the continuous assessment as well as examination. Consult the General Information and Regulation Prospectus for detailed examination, promotions and re-examination rules.

#### C.5.5 MINIMUM REQUIREMENTS FOR RE-ADMISSION INTO THE SCHOOL

For readmission into the School a student should have passed:

- At least 48 credits by the end of first year; however, for readmission into the program this must include both modules on fundamentals of accounting (CAFE3581 and CAFE3582)
- At least 136 credits by the end of second year;
- At least 232 credits by the end of third year;
- At least 340 credits by the end of fourth year;

#### C.5.6 ADVANCEMENT AND PROGRESSION RULES

A student advances to the following year if at least 2/3 of the credits of the previous year have been passed. If a student passed less than 2/3 of the curriculum, he/she may not register for any modules of the following year. Prerequisites for modules that require them should be passed first before registering for such modules.

- At least 88 credits from the first year must be passed before enrolling for second year modules
- At least 80 credits from the second year must be passed before enrolling for third year modules
  - At least 88 credits from the third year must be passed before enrolling for fourth year modules.

#### C.5.7 MAXIMUM NUMBER OF COURSES PER YEAR

A student may register for a maximum of twelve modules as from second yearn onwards during a particular academic year. Courses that are repeated and those followed for non-degree purposes are included in the allowable maximum of twelve modules.

#### C.5.8 REQUIREMENTS FOR QUALIFICATION AWARD

This qualification will be awarded to students who pass all the modules (520 credits) offered on the program. All the modules offered in this program are compulsory.

#### C.5.9 IMPLEMENTATION STRATEGY

The programme is in offer through both face to face and distance modes. The revised programme will phase in gradually so that students on current program can graduate on the old curriculum. In January 2012 there will be first year intake for the revised programme. If students on old curriculum fail any modules the following course equivalents will be used while repeating those modules on revised curriculum.

#### C.5.10 MODE OF DELIVERY

The programme is offered full time on main campus using face to face mode. The programme is also offered on full time distance mode through centre of external studies. There will be no admissions for first year on this programme for evening (part time) batch from 2012 and it will be phased out gradually from evening offering.

#### C.5.11 DURATION OF STUDY

The minimum duration of Bachelor of Accounting (Honours) is four years and the maximum duration is 6 years. Students follow the programme in effect at the time of their most recent date of admission, transfer or readmission. The School has the right to amend the curriculum for academic and professional reasons at any time. On distance mode the minimum duration to complete this program is 4 years and maximum duration is 8 years.

#### C.5.14 Syllabi

YEAR 1 : SEMESTER 1	
BASIC MICROECONO	MICS CEMI3571
NQF Level: 5	Credits: 16 Contact hours: 4 hours lecture per week for 14 weeks
Module assessment:	Continuous assessment 50%: two tests and one assignment
	Examination 50%: 1 x 3 hour examination paper
Pre-requisites:	None
AA - dud - Door - dud Bour	

#### Module Description:

Economics is the study of how society allocates scarce resources to satisfy the wants of its members for goods and service. As such, it is a subject concerned with issues of both efficiency and equity. An efficient economy gets the most it can from its scarce resources; an equitable economy fairly distributes the benefits of its resources among its members. Is the economy efficient? Is the economy fair? The course aims to introducing students to key concepts used in microeconomics and facilitate a basic understanding of the economic phenomena. The course is designed to help students understand that society's economic choices often involve trade-offs between efficiency and equity. F

FUNDAMENTALS OF A	CCOUNTING A CAFE3581	EQUIVALENT: CAFE3511	
NQF Level: 5	Credits: 12 Contact hours:	s: 3 hours & 1 hour tutorial per week for 14 v	veeks
Module assessment:	Continuous assessment (50	50%): two tests and one assignment	
	Examination (50%): 1 x 3 h	hour paper	
Pre-requisites:	None		

Pre-requisites:

#### Module Description:

The detailed contents are as follows: Introduction to the basic principles of accounting – nature and function of accounting and accounting theory, the history and development of accounting, the statements of financial position and of comprehensive income and of changes in equity and its elements. Determining the information needs of different users, Collecting and processing accounting data, the accounting cycle, designing source documents, Journalising, posting entries from journal to the ledger, Creating subsidiary ledgers and Control accounts and Compiling a trial balance before adjustments. Determining and recording adjustments. Recording closing entries, compiling a worksheet in the closing-off procedure and compiling a postclosing trial balance. Preparing financial statements for a sole proprietor, non-profit organisations and trading and service entities. The cost concept - determination of the Cost of Goods Sold (COGS). Creating a complete accounting system that will fulfil the requirements of a specific entity.

#### CBCM3571

NQF Level: 5 Credits: 16 Contact Hours: 4 hours lecture per week for 14 weeks Module assessment: Continuous Assessment (50%): two tests and one assignment Examination (50%): 1 x 3 hour paper)

#### Pre-requisites: Module Description:

Number systems; operations on whole numbers, integers and fractions; powers and roots; measurements (length, mass, capacity, temperature) and mensuration (area and volume); rates and ratios; basic set theory; basic algebraic operations; linear and quadratic equations; linear inequalities; linear functions and graphs; simple and compound interest; single and regular investments; hire purchase and loans; arithmetic and geometric sequence.

#### YEAR 1 : SEMESTER 2

BASIC MACROECON	OMICS CEMA3572
NQF Level: 5	Credits: 16 Contact hours: 4 hours lecture per week for 14 weeks
Module assessment:	Continuous assessment 50%: two tests and one assignment
	Examination 50%: 1 x 3 hour examination paper
Pre-requisites:	None
AA - shull - Dis sinductions	

#### Module Description:

This course introduces basic concepts and tools used in macroeconomic analysis: the theory, measurement, and determination of national income; business cycles; the multiplier; fiscal policy, budget deficits, and the national debt; aggregate supply and aggregate demand; money, banking, and monetary policy; exchange rates and balance of payments accounts; and stabilization policy for unemployment and inflation.

#### PRINCIPLES OF MANAGEMENT **CMPP3572**

None

NQF Level: 5 Credits: 16 Contact hours: 4 hours lecture per week for 14 weeks

Module assessment: Continuous assessment 50% (Minimum of 2 tests and 1 assignment)

#### Pre-reauisite: None Module Description:

Students will also be exposed to the various functions of management which are planning, organising, leading and control. As management forms part and parcel of our daily lives, students are expected to keep abreast with the latest developments in terms of local and international media and how it impacts on businesses, looking at the social, economic, political and cultural environments. Additional topics to be covered in this module are: introduction to various forms of entrepreneurship, religion and business world and business management, various economic systems, business counselling, coaching and networking. Above all students will be introduced to the history and evolution of the theories of management.

Fundamentals of Accounting A & B (CAFE3581/2)

#### Pre-requisites: Module Description:

The detailed contents are as follows: Review of business entities financial reporting: financial statements of partnerships – establishment of a partnership, financial statements, admission and/or retirement of a partner, dissolution, insolvent partner, piecemeal liquidation. Introduction to close corporations covering - formation, operation, introduction to taxation, deregistration and liquidation, accounting records and financial statements. Branches/Sector accounting, Manufacturing companies covering - cost statements, preparing the income statement. Introduction to companies - formation, operation, introduction to taxation, share and debenture transactions, accounting records and financial statements, deregistration and liquidation. Conversions of various types of enterprises – partnership into a company, partnership into a close corporation, company into a close corporation and vice versa.

#### MANAGEMENT ACCOUNTING 1A CAAM3691 EQUIVALENT: CAAM3651

NQF Level: 6 Credits: 12 Contact hours: 3 hours lecture & 1 tutorial per week for 14 weeks Module assessment: Continuous assessment (50%): two tests and one assignment Examination (50%): 1 x 3 hour paper None

Pre-requisites:

#### Module Description:

Introduction to Cost and Management Accounting: cost concepts and cost flows, cost behaviour and systems for recording and controlling costs, product and period costs, and prime and conversion costs: Material and labour costs: raw material costs and inventory management, inventory levels, purchasing and storage of inventory, selective inventory control techniques; Payroll accounting and methods of compensation, individual and group incentive plans, fringe benefits, learning curves and cost estimation; Accounting for overhead costs: identification and coding of overheads, collection, allocation, apportionment and absorption of overheads, cost drivers and overhead costs, production, administration and marketing overheads. Activity based costing: activity based costing defined, comparison between traditional and activity based costing systems, activities and transactions as cost drivers, strengths and weaknesses of activity based cost system. Job order costing: Contract costing: main features of contracts and types of contracts, cost calculation for contracts, methods of determining profit for incomplete contracts, contract cost accounts.

YEAR 2 : SEMESTER 2	
<b>BUSINESS STATISTICS B</b>	CABA3692 EQUIVALENT: CABA3632
NQF Level: 6	Credits: 12 Contact hours: 3 hours lecture per week for 14 weeks
Module assessment:	Continuous assessment (50%): two tests and one assignment
	Examination (50%): 1 x 3 hour paper
Pre-requisites:	Business Mathematics (CBCM3579)
Madula Deserindian	

Module Description:

The detailed contents are as follows: This course introduces the students to the fundamental of statistics. Topics include: Sampling and Sampling distributions, Interval Estimation, Hypothesis Testing (mean and proportion), Inferences about population variances, Tests of goodness of fit and independence, Simple linear regression and index numbers.

COMMERCIAL LAW B	CACL3632
NQF Level: 6	Credits: 16 Contact hours: 4 hours lecture per week for 14 weeks
Module assessment:	Continuous assessment (50%): two tests and one assignment
	Examination (50%): 1 x 3 hour paper
Pre-requisites:	None

#### Module Description:

The detailed contents are as follows; Special contracts, deed of Sale, The essentialia for the creation of a contract of purchase and sale. Establishment of the price to the merx (things) and intentions to buy and sell. Lease agreements, obligations of the parties to a lease agreement "Huurgaatvoorkoop rule" Negotiable instruments, Definitions of a negotiable instrument and the requirement of a negotiable instrument. The parties to a negotiable instrument. Type of negotiable instrument, Credit Agreements, Hire-purchase agreements, Formation of a credit agreement. The consequences of a credit agreement. Labour Law The employment contract: definition and the parties thereto, The duties of the employer and employee after conclusion of the employment contract. Termination of the contract of employment.

#### FINANCIAL ACCOUNTING 1B CAFE3692 EQUIVALENT: CAFE3632

## **ULCE3419**

NQF level 4 Credits: 16 Contact hours: 4 hours per week for 14 weeks Module Assessment: Continuous assessment (60%): two tests (reading and writing), two reading assignments, One oral presentation

Examination (40%): one three hour examination paper None

#### Pre-requisites: Module Description:

This module is aimed at assisting students in the development of their reading, writing and speaking and listening skills, in order to cope with studying in a new academic environment and in a language, which may not be their first language. The module also

**ULEG2410** 

focuses on study skills that students need throughout their academic careers and beyond. The module serves as an introduction to university level academics, where styles of teaching and learning differ from those at secondary schools in that more responsibility is placed on the student. The module therefore, focuses on the skills that students need throughout their academic careers and beyond.

## ENGLISH FOR ACADEMIC PURPOSES

#### ULEA3519

 NQF Level: 5
 Credits: 16 Contact hours: 4 periods per week for 14 weeks

 Module assessment:
 Continuous assessment (60%): 2 tests (reading and writing), 1 academic written essay, One oral presentation

 Examination (40%) : One three hour examination paper

 Pre-requisites:
 None

#### Module Description:

This module develops a student's understanding, and competencies regarding academic conventions such as academic reading, writing, listening and oral presentation skills for academic purposes. Students are required to produce a referenced and researched essay written in formal academic style within the context of their university studies. Students are also required to do oral presentations based on their essays. The reading component of the course deals with academic level texts. This involves students in a detailed critical analysis of such texts. The main aim is therefore, to develop academic literacy in English.

#### G.2 UNIVERSITY CORE COURSES BY OTHER FACULTIES

COMPUTER LITERACY NQF Level: 5	UCLC3509 Credits: 8 Contact hours: 1 lecture theory and 1 lecture practical per week
	for 14 weeks
Module assessment:	Continuous Assessment 100%: 2 Practical Tests 50%, 2 Theory Tests 50%
Pre-requisites:	University Entry

#### Module Description:

The aim of this module is to equip the students through hands-on experience with the necessary skills to use application software: word processing, spreadsheets, databases, presentations and communications. The objective is to increase student's productivity in both the education and later, the work environment.

Content: The module covers the following topics. Introduction to Computers: hardware and software, types and categories of computers, usage of Computer devices and peripherals. Working with the windows operating system: File Management, working with multiple programs, using the recycle bin. Using a word processor: formatting a text and documents, spelling check, grammar and thesaurus tools, inserting tables, auto-shapes, clip arts, charts, and mail merge. Spreadsheet: worksheets and workbooks, ranges, formulas and functions, creating graphs, charts, and printing the workbook. Databases: creating tables, relationships, queries, forms and reports. Presentation software: slide layout and master, animations, auto-content wizard and templates. Communication tools: introduction to the Internet, web browsers, search engines, downloading and uploading files, creating and sending messages, email etiquette, internet security, and digital signatures.

#### CONTEMPORARY SOCIAL ISSUES(OFFERED IN SEMESTER 1 AND SEMESTER 2) UCSI3580

NQF Level: 5 Credits: 8 Contact Hours: 1 hour lecture per week for 28 weeks

**Module Assessment:** This is a 100% continuous assessment module with a variety of assessments which evaluate and test the students' individual learning and mastering of the course content (subject knowledge) through quizzes, tests, Moodle assignments, journal entries, reflections as well as service and experiential learning projects.

Pre-requisite: None

#### Module Description:

The module, Contemporary Social Issues (CSI3580), is designed to encourage behavioural change among UNAM students and inculcate the primacy of moral reasoning in their social relations and their academic lives. In providing students with critical and analytical thinking the module enables students to grow and develop into well rounded citizens, capable of solving contemporary social challenges experienced in their communities and societies. The teaching of the module takes three dimensions: the intellectual, the professional and the personal dimensions. The intellectual dimension is fostered through engaging students with subject knowledge, independent learning and module assessment. The professional dimension, on the other hand, is fostered through exposing students to real life situations of case studies and practical exercises that draws attention to social issues that attract ongoing political, public and media attention and/or debate.

## POSTGRADUATE PROGRAMMES

#### SCHOOL OF ACCOUNTING

#### POSTGRADUATE DIPLOMA IN INTERNAL AUDITING

#### Objectives AND RATIONALE OF THE PROGRAMME

- To train senior and middle level officers in current methods and practices of Internal Auditing.
- To update knowledge of senior and middle level officers on international trends in Internal Auditing.
- To empower senior and middle level officers who have B-degrees or equivalent qualifications and working experience.
- To provide practical tutorials using existing reports, financial statements and other legislative documents which staff use on a day-to-day basis.
- To expose various officers (who may have spent several years working in only one section of their workplaces without knowing the entire process of their results) to the overall structure of Accounting.
- To provide an interface between the theory and practice of Internal Auditing
- To open up avenues of further training and development to pursue careers as Professional in Internal Auditing.
- To provide an opportunity to enter master's programmes for those who do not have a level 8 honours first degree with at least a C grade average (lower second).

#### Target group

The target group is Senior and Middle level Accountants, Auditors, Managers, Administrators and persons interested in becoming Certified Internal Auditors (CIA). Fresh graduates interested to pursue careers in accounting and auditing areas, especially internal audit functions may also apply for admission.

#### CRITERIA FOR ADMISSION

- An applicant should be a holder of Bachelor degree in Accounting or equivalent qualification in related disciplines offered by the University of Namibia or its equivalent. Preference will be given to persons employed in public service in the areas of accounting, auditing and finance, and holding a Bachelor's degree in Accounting or related disciplines.
- The students applying for admission may be interviewed and assessed by the Department of Accounting, Auditing and Income Tax before recommendation of their admissions to the School of Postgraduate Studies.

#### **MODE of delivery**

The mode of delivery will be a full time, face to face interaction during evening hours and may include seminars, group discussions, guest lectures etc.

#### INTAKE

The mere fulfilment of the admission requirements does not guarantee a place on the programme as the admission is limited to 20 places per intake.

The intake for the Postgraduate Diploma in Internal Auditing shall be every alternate year.

#### Duration of the PROGRAMME

The duration of the Postgraduate Diploma in Internal Auditing program shall be 2 years full time spread over four semesters of fourteen (14) weeks each. The program shall follow the university calendar. The maximum duration for completing the programme shall be 4 academic years.

#### Assessment criteria

The assessment of the students for this qualification will be based on existing University regulations as follows:

- Continuous assessment(Written tests and assignment) 50%
  - Final examination 50% (1 x 3 hours in each course course)

A student will be eligible to write the University examination in a module only if he/she has obtained the required Continuous Assessment marks of 40% in that module. The minimum pass mark in a module (both continuous assessment and main examination combined) will be 50%.

Students must attend at least 80% of the lectures in order to be admitted to the final examination. Students shall write a 3 hour final examination in each module at the end of each semester and must pass in all the module and the project in order to qualify for Postgraduate Diploma in Internal Auditing.

#### **Examination rules**

Examination regulations of the School of Economics and Management Sciences and the University of Namibia shall be applicable.

#### Maximum number of Courses per year

First year (First and Second semester)		4 + 3 = 7	112 credits	
Second Year (First and Second semester)		3 + Project	128 credits	
Total 10 + Project		240 credits		
advancement and progression rules				

#### [12PDIA]

A student must pass at least two third of the first year modules (with 72 credits) in the first year in order to progress to the second year. However, if a student fails the prerequisite for a specific module, then she/he cannot register for that module. **Implementation Strategy for the revised curriculum** 

- The new revised curriculum shall be applicable for students registering for the qualification as from the 2014 academic year.
- Students registered under the existing curriculum shall continue with the existing curriculum to qualify for the Postgraduate Diploma in Internal Auditing. Any student who fails a module in the existing curriculum will have to register for the following module:

Old Curriculum		New Curriculum	
Code	Module Title	Code	Module Title

٠

YEAR 1 : SEMESTER 1 ACCOUNTING AND FINANCIAL SYSTEMS CAAF4811			
NQF Level: 8	Credits: 16 Contact hours:	4 hours per week for 14 weeks	
Module assessment:	Continuous assessment (50%): the	wo tests and one assignment	
	Examination (50%): 1 x 3 hour pe	aper	
Pre-requisites:	None		
Module Description:			

Concepts underlying the preparation of financial statement; the role of accounting standards in regulating the preparation of financial statements, impact of adopting different accounting methods, choice of estimation techniques of provision for depreciation (the straight line and reducing balance methods and explanations of the benefits of each method), methods of calculating the cost of stock (the basis for valuation of stock as the lower of cost and net realisable value), accounting concepts: going concern, accruals (matching) and prepayments the accounting principles of relevance, reliability, understand ability, comparability, accounting adjustments when preparing financial statements: provision for depreciation, provision for doubtful debts,. Double entry and the presentation of ledger accounts, integrated computerised accounting system.

Financial Reportina: the use of the Statement of Comprehensive Income to measure profit or loss, the layout of Statement of Comprehensive Income for different types of organisations and interpretation of the information. Statement of Financial Position, showing the capital employed/funds and net assets of an organisation, the layout of a Statement of Financial Position and the classification of assets and liabilities, capital, revenue income and expenditure, purpose and main contents of a published annual report, interpreting of a cash flow statement. Analysis of financial statements.

#### STRATEGIC MANAGEMENT

#### CASM4831 Credits: 16 Contact hours: 4 hours per week for 14 weeks

NQF Level: 8

Module assessment: Continuous assessment (50%): two tests and one assignment Examination (50%): 1 x 3 hour paper None

#### Pre-requisites: Module Description:

An overview of the dynamics of the organizational environment and how corporate governance and business strategies can be used to enable competitive advantage, value and sustainability.

Strategy Formulation: Development of long term and generic goals, grand and functional strategies with a view of the industry life cvcle.

Strategy Implementation: Strategy implementation and change management, drivers of strategy implementation and instruments

#### AUDIT PLANNING, DOCUMENTATION AND REPORTING CAAP4831

NQF Level: 8	Credits: 16 Contact hours: 4 hours per week for 14 weeks
Module assessment:	Continuous assessment (50%): two tests and one assignment
	Examination (50%): 1 x 3 hour paper
Pre-requisites:	None

#### Pre-requisites:

#### Module Description:

#### The detailed contents are as follows:

System analysis and understanding of the accounting system and related internal control; The overall audit strategy, Planning activities; The audit plan; Direction, supervision and review; Materiality; Audit risk; Documentation; Reporting

#### ACADEMIC WRITING FOR POST GRADUATE STUDENTS

NQF Level: 9	Credits: 24 Contact hours: 4 lectures per week over 14 weeks
Module assessment:	Continuous assessment 50% (tests, assignments, projects)
	Examination 50% (1 X 3 hour examination paper)
Pre-requisite:	Must be a postgraduate student

#### Module Description:

This module is a post-graduate module designed to empower students with skills and knowledge to access and critique academic sources and to synthesize information from these sources to assist them in the substantiation and development of their own claims when writing an academic paper in their respective fields of specialization. Additionally, this module will empower students with the capacity to undertake the challenges of academic writing by exposing them to the different rhetorical and stylistic elements typical of academic texts. Finally, students will be introduced to the American Psychological Association (APA) writing style and will be equipped with the necessary skills to format an academic paper in APA style.

#### YEAR 1: SEMESTER 2 MANAGERIAL ACCOUNTING CAMF4812 Contact hours: 4 hours per week for 14 weeks NGF Level: 8 Credits: 16 **Module assessment:** Continuous assessment (50%): two tests and one assignment Examination (50%): 1 x 3 hour paper Pre-requisites: None

#### Module Description:

It includes topics such as cost behaviour and its role in decision making, the use of marginal costing for decision making, including the concept of contribution, marginal and absorption costing and Identification of future funding needs based on the forecast financial and non-financial performance indicators to monitor performance, accounting analysis, financial analysis including ratio analysis.

RESEARCH METHODS	CARM4832	
NQF Level: 8	<b>Credits:</b> 16 <b>Contact hours:</b> 4 lecture hours per week for 14 weeks	
Module assessment:	Continuous assessment (50%): two tests and one assignment	
	Examination (50%): 1 x 3 hour paper	
Prerequisites:	None	
Module Description:		

## **UAE4819**

Introduction to research; research ethics; literature review; selection of an area of research, identification of a research problem; development of a research proposal; methodology of research – research design, sampling, data collection methods, measurement of outcomes; testing the validity and reliability; data analysis - basic statistics for research, regression analysis, correlation analysis, time series analysis; hypothesis testing and statistical inference using parametric and non-parametric methods; writing a research report.

#### INFORMATION SYSTEMS AUDIT CAIS4832 NGF Level: 8 Credits: 16 Contact hours: 4 hours per week for 14 weeks **Module assessment:** Continuous assessment (50%): two tests and one assignment Examination (50%): 1 x 3 hour paper

Pre-requisites:

None

## Module Description:

Overview of information systems audit role and their objectives, the audit process, based on a general risk assessment of the organisation's information and computing use, formulation of an effective audit plan covering information systems topics and the production of audit programmes for each topic, the role of internal audit in relation to systems development, including the review of the development process and participation in systems under development, describing and evaluating the main audit uses of information systems and technology, explaining how each contributes to successfully delivering objectives: risk and control assessment, data interrogation and extraction, systems testing, audit automation. Summarising data forensics and how to secure and preserve evidence.

PUBLIC FINANCIAL M	ANAGEMENT	CAPF4852
NQF Level: 8	Credits: 16 Contact hours:	4 hours per week for 14 weeks
Module assessment:	Continuous assessment (5	0%): two tests and one assignment
	Examination (50%): 1 x 3 h	nour paper
Pre-requisites:	None	

#### Module Description:

The contents include: Public money and government; Defining money; Monetary and fiscal policy; Service provision based on revenue sources; Role players in government finance; The relationship between accounting and finance; Source of income for government and inter government fund revenues (IGFR); National, provincial and local government income and IGRF; Contemporary reforms to public financial management; Budget reforms and managing public money through budgeting including medium term expenditure framework; Ethics and accountability in public financial management; Privatisation as a major reform in public sector management; Public procurement and supply chain management.

YEAR 2 : SEMESTER 1	
INTERNAL AUDITING	CAIA4831
NQF Level: 8	Credits: 16 Contact hours: 4 hours per week for 14 weeks
Module assessment:	Continuous assessment (50%): two tests and one assignment
	Examination (50%): 1 x 3 hour paper
Pre-requisites:	None

#### Pre-requisites: Module Description:

Fundamentals of Internal Auditing; Professional practices framework and the development of internal auditing- overview of the audit process, definition of internal audit and code of ethics, the focus and purposes of internal audit as outlined in the definition of internal audit, the key terms and requirements of the Code of Ethics and explains its purpose and role, professional auditing standards, the main components of the IIA's Professional Practice Framework, including attribute and performance standards and how these relate to the work of internal audit, development and focus of Internal Audit explains the purpose and historical role of internal audit, Responsibility of an IA, Characteristics of an effective IA., changing focus of internal auditing, the shift from an internal control focus to a risk-based auditing, the nature, objectives and types of control, the range of risk-based services that internal audit can provide, including control risk self-assessment, control education seminars/workshops, system development, business process reviews and compliance reviews, the need for internal audit to promote improvement opportunities for audit clients, the need for internal audit to provide assurance on the adequacy of internal control and the methodology by which such assurance can be provided, developing an awareness of the circumstances in which the internal auditor can act as a consultant and how the results of such work can be used to provide assurance, the role and responsibilities of key stakeholders in internal audit, including the audit committee, senior and operational management, and the ways in which internal audit can develop and sustain relationships with such stakeholders to an organization's benefit, the importance of developing positive relationships with other gudit and compliance functions, including external gudit, regulatory bodies, gugity, environmental and compliance functions, describes how internal audit can add value to the organization.

FINANCIAL INVESTIGATION AND FORENSIC ACCOUNTING CAFI4951			
NQF Level: 9	Credits: 24 Contact hours: 4 hours per	week for 14 weeks	
Module assessment:	t: Continuous assessment (50%): two tests and one assignment		
	Examination (50%): 1 x 3 hour paper		
Pre-requisites:	Accounting and Financial Systems (AA	F4811) &	
	Audit Planning, Documentation and Re	porting (AAP4831)	

#### Module Description:

Money laundering and the Financial Intelligence Act 3 of 2007; Tax evasion; Economics of crime; Organized crime; Financial crimes; Accounting and audit techniques; Sources of information; Detective and investigative tools and techniques; Investigative interview analysis; Bank and Finance; Cyber-crimes; Financial Intelligence Act; Financial statement fraud.

#### CORPORATE GOVERNANCE

#### CACG4931 Credits: 24 Contact hours: 4 hours per week for 14 weeks NQF Level: 9 Module assessment: Continuous assessment (50%): two tests and one assignment Examination (50%): 1 x 3 hour paper None

#### Pre-reauisites: Module Description:

Detailed content of this course is as follows:

Historical development of the system of corporate governance, Agency theory, the King Report on Corporate Governance principles/codes. Agency framework for evaluation of alternative corporate governance system: Business Ethics, earnings management and window dressing, executive compensation; The professional and ethical duty of the accountant, Professions and the public interest Professional practice and codes of ethics, Conflicts of interest and the consequences of unethical behaviour The position, power, duties, responsibilities and ethical issues of Directors, Company Secretary, Auditor and Board Committees; Disclosure of information, and Rights of Shareholders; Case studies relating to auditing and corporate governance.

#### YEAR 2: SEMESTER 2

PROJECT	CAPW4872
NQF Level: 8	Credits: 64 Contact hours: 4 hours per week for 14 weeks
Module assessment:	Proposal and progress of the work: 25%
	Project Report 50%
	Presentation: 25%
Co- requisite:	Research Methods (CARM4832)

#### Module Description:

Students will be required to link theory to practice by careful selection of the project on a problem of their interest, which in case of those already in employment may be related to their work responsibilities.

Students shall select a problem and an organization for study from the areas of accounting, auditing and finance with major focus on internal audit and internal control and develop a research proposal. This will be evaluated by the supervisor who shall award him marks, which will be Continuous Assessment marks.

Though the project is not a thesis, candidates are expected to follow normal research procedures and write report in the format provided by the department. The report should be of approximately 80pages. The project work and report submitted should indicate candidate's independent ability to identify and investigate a problem and develop a written report using sustained argument linking theory and evidence. The students have to present the work done making a presentation in front of other members of the program, department staff and other audience. This will be main examination mark. Final marks will be arrived at by adding up the Continuous Assessment marks and Main Examination marks.

#### MASTER OF SCIENCE IN ACCOUNTING AND FINANCE [12MSAF]

This program consists of two major parts i.e.: core modules and a thesis. The program runs for two full academic years of 1) evening study.

#### **OBJECTIVE AND RATIONALE OF THE PROGRAM**

- The Master of Science in Accounting and Finance Programme consists of two major parts: core taught modules and a 2) thesis
- This programme is designed for araduates with interest and sound knowledge of accounting and finance. It offers 3) participants advanced preparation for career development in accounting and finance and it also provides an excellent foundation from which to pursue research at Doctoral level. The target group includes finance managers and accountants who are responsible for the accounting and financial management of organizational resources. It is also appropriate for those who aspire to work as chief financial officers, management accountants, finance managers, financial analysts, controllers, and their assistants in the private and public sector organisations and those who are already in employment in these areas.

#### CRITERIA FOR ADMISSION

- 1. A student must have:
- A Bachelor of Accounting (level 8) or an equivalent degree from the University of Namibia or any other recognized institution of higher learning with at least a C grade average (lower second class). OR
- A Postgraduate diploma in business related fields from the University of Namibia or its equivalent with at least a C grade average (lower second class).
- 2 Prospective students may be interviewed and assessed by the Department of Accounting before recommendation to the School of Postgraduate Studies for admission.

#### INTAKE

The mere fulfilment of the admission requirements does not guarantee a place in the Programme as admission is limited to 15 per intake.

The intake for the Master of Science in Accounting and Finance shall be every alternate year.

#### MODE OF DELIVERY

The Master of Science in Accounting and Finance is a face to face, full time evening study programme. Teaching includes lectures, discussions, case analyses, student presentations, group projects and lectures/seminars by guest speakers from industry and government.

#### DURATION OF STUDY

The Master of Science in Accounting and Finance shall be a two years full-time face to face evening study Programme. The maximum study period for the programme is four (4) academic years.

#### ASSESSMENT AND EVALUATION OF STUDENTS

- 6. For each taught course, there will be a continuous assessment involving at least two pieces of work, which may be tests, assignments, term papers, case studies as deemed necessary by the lecturer. There will be a three-hour final examination at the end of the semester in which a course is offered.
- 7. A student must obtain a continuous assessment mark of 40% for admittance to the main examination. The University of Namibia's regulations for postgraduate studies shall be applicable in respect of class attendance, examinations, academic integrity, and ranking achieved.
- 8. The final marks will consist of Continuous Assessment Marks (50%) and the final examination marks (50%).
- 9. A student must submit a research proposal at the beginning of the first semester of the second year of study to the Department. The student shall be further required to present the proposal at a Departmental Seminar consisting of his/her supervisor, other members of the Programme and departmental staff. The Department will assign a supervisor to each student. The proposal must be approved by the department of Accounting, Auditing and Income Tax, School of Economics and Management Science and the School Postgraduate Studies Committee before research study can be conducted.
- 10. The thesis will be evaluated by two examiners (one internal examiner and one external examiner).

#### MAXIMUM NUMBER OF COURSES PER YEAR

First year (First and Second semester)	4 + 3 = 7	132 credits
Second Year (First and Second semester) Total	3 + Thesis 10 + Project	132 credits 264 credits

#### ADVANCEMENT AND PROGRESSION RULES

- A student who fails a module must re-register in the next cycle. A student who fails more than three module in the first year will be discontinued from the Programme.
- A student must pass all coursework examinations before proceeding to write the thesis.

#### IMPLEMENTATION STRATEGY FOR THE REVISED CURRICULUM

- The new revised curriculum shall be applicable from January 2014 to students registering for the qualification thereafter.
- The students registered under the existing curriculum shall continue with the existing curriculum to qualify for the Master of Science in Accounting and Finance degree. Any student who fail a module in the existing curriculum will have to register for the following equivalent modules:

Old Curriculum		New Curriculum	
Code	Module Title	Code	Module Title
