EXECUTIVE SUMMARY OF BID EVALUATION REPORT

(In terms of Section 55 (4)(b) of the Public Procurement Act, 2015 (Act No. 15 of 2015) as amended)

SUPPLY, DELIVERY AND INSTALLATION OF NEW STREET LIGHT FITTINGS AT RUNDU CAMPUS
PROCURMENT REFERENCE NO: W/RFQ/UNAM- 07/2026

1. **Scope of contract:**

   Supply, delivery and installation of new 48 streetlight fittings to replace the existing light fittings. The existing mounting poles (3m height) remain intact and thus will be used, as well as the supply cable. The successful contractor will remove the existing light fitting and replace it with the new fitting. The new fitting should be complete with all accessories for fixing the light onto the existing pole.

   The successful contractor will supply, deliver, install and test to commission and ensure all the light fittings are working, including replacement of all the daylight switches and making necessary adjustments for the system to work. Where the contractor comes across a damaged cable/wires/circuit breaker or any other item that would compromise the operation of the streetlights, the estate department should be notified so that arrangements can be made for the replacement of the said item. Any extra item installed/repaired, which does not form part of this scope, without a prior written approval from UNAM, will be for the contractor's account.

   The light fittings should be same or equal to Beka Lighting, Vertice-R, versatile LED 38W post top type, IP66 rated 220 Vac.
