EXECUTIVE SUMMARY OF BID EVALUATION REPORT

(In terms of Section 55 (4)(b) of the Public Procurement Act, 2015 (Act No. 15 of 2015) as amended)

Supply, Delivery and Installation of Air Conditioners at Sam Nujoma Campus

PROCUREMENT REFERENCE NO: W/RFQ/UNAM-24/2026

1. **Scope of contract:**
   There is a serious challenge faced by staff members at Henties bay due to the unfavourable coastal weather conditions. Currently, heaters are being used to warm the offices, which not only pose a significant fire hazard but also consume a considerable amount of electricity.
   To address both safety and energy efficiency concerns, we would like to propose the installation of air conditioner to various offices and workstations in the campus. This would provide a hazard-free environment while also reducing electricity consumption.

2. **Procurement method used:** Request for Sealed Quotations in terms of section 32 (1)(a) of the Public Procurement Act, 2015 (Act No. 15 of 2015) as amended.
